History was made when Pope John Paul II visited Los Angeles in September 1987. Many students from Bishop Montgomery were fortunate enough to attend one of the masses at Dodger stadium or the Coliseum. Others had the opportunity to see him at the forum held for young people at the Universal Amphitheatre. The Holy Father's visit was an inspiration to all fortunate enough to attend this once-in-a-life-time event.

Community service is faith in action.

Community Service is one of the most active classes both on and off campus. The students welcome the challenge to make the community off campus a better place. The students go to Harbor View and Pacific View to spend time with the people that live there. They also visit the surrounding convalescent hospitals to show the patients that they care about them. The class also sponsors blood drives. This class, led by Brother Bob, shares a special gift with our school and our community- their gifts of love and caring.

The Class of '89 unites on their retreat.

Retreats at Bishop Montgomery have grown to be a big success. The Juniors went on the retreat for many different reasons, to heal broken friendships, make new friends, become closer with themselves-but most of all to become closer to God. Retreats are a time of mental and spiritual growth and a time that will never be forgotten.

(clockwise from above left) Kathleen Bolger, Pat Sprengel- Tina Barela, Paul June, Colin Douglas, Denise Mikulski, David Ransick, Mauricio Escobar, Theresa Harrison, and Lidwina Lopez are Erin's O'Donnell Dolphin's. GOD JAMS on the Senior Retreat

The anticipation grew and the busses filled as 49 seniors gladly said goodbye to Bishop on a typical November afternoon. But this day was far from typical. We were on our way to Big Bear for our senior retreat. Never will we forget the ten-mile-an-hour journey up the mountain. When we finally reached the retreat camp, we were all ready to eat. The cold air brought excitement as we talked about the possibility of snow during dinner. The first session was electric and supplied power when the generator failed. From the first night we all knew that this was going to be the best retreat ever. When we woke up the next morning - the world was white and beautiful, much to the delight of all, as we welcomed the first snow of the season. Sno-ball fights were over by lunch as the sun melted the snow away. Horseback riding and volleyball made for fun afternoons, as some chose to stay inside by the fire and make special gifts for their secret pals. The tears came when we received letters from our parents and exchanged our secret pal bags. The climax of the retreat came at the end as Father Alex led us in an unforgettable mass as the STARS, LIGHTNING BOLTS, X'S, DIAMONDS, and HALF - MOONS received their crosses from their leaders. As we headed back down the mountain, there was something special inside all of us. We made plans to meet at Chuck E. Cheese when we returned, realizing that the next phase of our retreat had just begun.

"Let go and let God" is the basic motto of Ms. Vukmanic and all of her Campus Ministry students. The goal of Campus Ministry is to share God's love with each and every student on campus. The newest addition to the Campus Ministry family is the F.B.I - a service club initiated by the Campus Ministry office. The students of this fourth and sixth period class work on retreats and masses and enjoy all of the hard work that goes into making Bishop Montgomery a better place. With the help of Ms. Vukmanic and Ms. Mitchell and the wonderful students involved, Campus Ministry is stronger than ever.

Excalibur "88" captures the memories.

The yearbook staff, under advisor Mr. Llewelyn and Editor-in-Chief Kristin Nystrom, worked diligently this year to try to create the best yearbook the school has ever seen. Many hours were spent, even after school and on holidays, on organizing the various pages of Excalibur. With the expertise of the photographers, excellent quality pictures were taken and developed. Other staff members designed the layouts as they strove to meet the deadlines. Everything had to be brought together to make it not only a book of photographs, but a book of memories that would last forever.

(clockwise from above) Editor-in-Chief Kristin Nystrom works toward planning the pages. Advisor Mr. Llewelyn instructs Laura Gavin on drawing a layout. Beth Graham searches for a proof. Iliana Bustios shows that yearbook is fun.

Big Sis/Lil' Sis luncheon makes new friends

As a tradition each year the Senior girls are assigned a freshmen to be their little sister. The goal for the Seniors is to make their little sister feel at home. The luncheon was the first step. As always the Seniors prepared the most unusual lunches ever; with Domino's Pizza, Subway sandwich, pasta, potato salad and most of all the special toast to the freshmen which all brought smiles to the freshman faces.

(clockwise from above) Kristin Nystrom and Iliana Bustios bake a cake for their little sisters. Veronica Mosquera joins in the fun with Maria Altamirano, Angelina Arrington, Luz Gomez and Jennifer Hengen. Diana Diaz makes Neeta Deshmukh feel at home. Parents continuously involve themselves

The Bishop Montgomery family is made up of not only students and teachers but also of the many parents who become involved in the school's activities. From attending "Back to School Night", to helping at the snack bar, parents have always been a very important part of the school.

(clockwise from above) At "Back to School Night": parents, unlike their children, seem interested. A parent diligently counts the money. Mr. and Mrs. Nystrom boogie down at the raffle dinner dance. Mrs. Pittelkau takes up the daily total of the raffle money. Look at all the money that the students brought in.

Fishing Club enjoys many trips, big catches.

The purpose of the Salt Water Fishing Club is to learn a variety of fishing techniques during different times of the year and to gain a deeper appreciation for local marine resources. The club has gone many places including ½ day trips off the coast of Palos Verdes, and overnight trips to Catalina and San Clemente Island. The club has caught over 350 fish this year, including Blue Perch, Bass, Yellowtail and Bonita. Club members include: President Kevin Skehan, V.P. Simon Brown, Michael Artner, Alex Cangas, Liam Chalk, David Clark, Bill Coke, Victor Cortez, Bobby Currie, Pat DeLangis, Joseph DiRezze, Matt Domeno, Bill Eidenmuller, Mauricio Escobar, Mike Henderson, Chad Hinkle, Chee Houng, David Jakob, Giovanni Mejia, Rob Myska, Mark Rogers, Mike Scotto, Chris Sloper, Jason Smith, John Taylor, Tony Ulloa. Kevin Skehan looks smug as he feels a pull on his line.

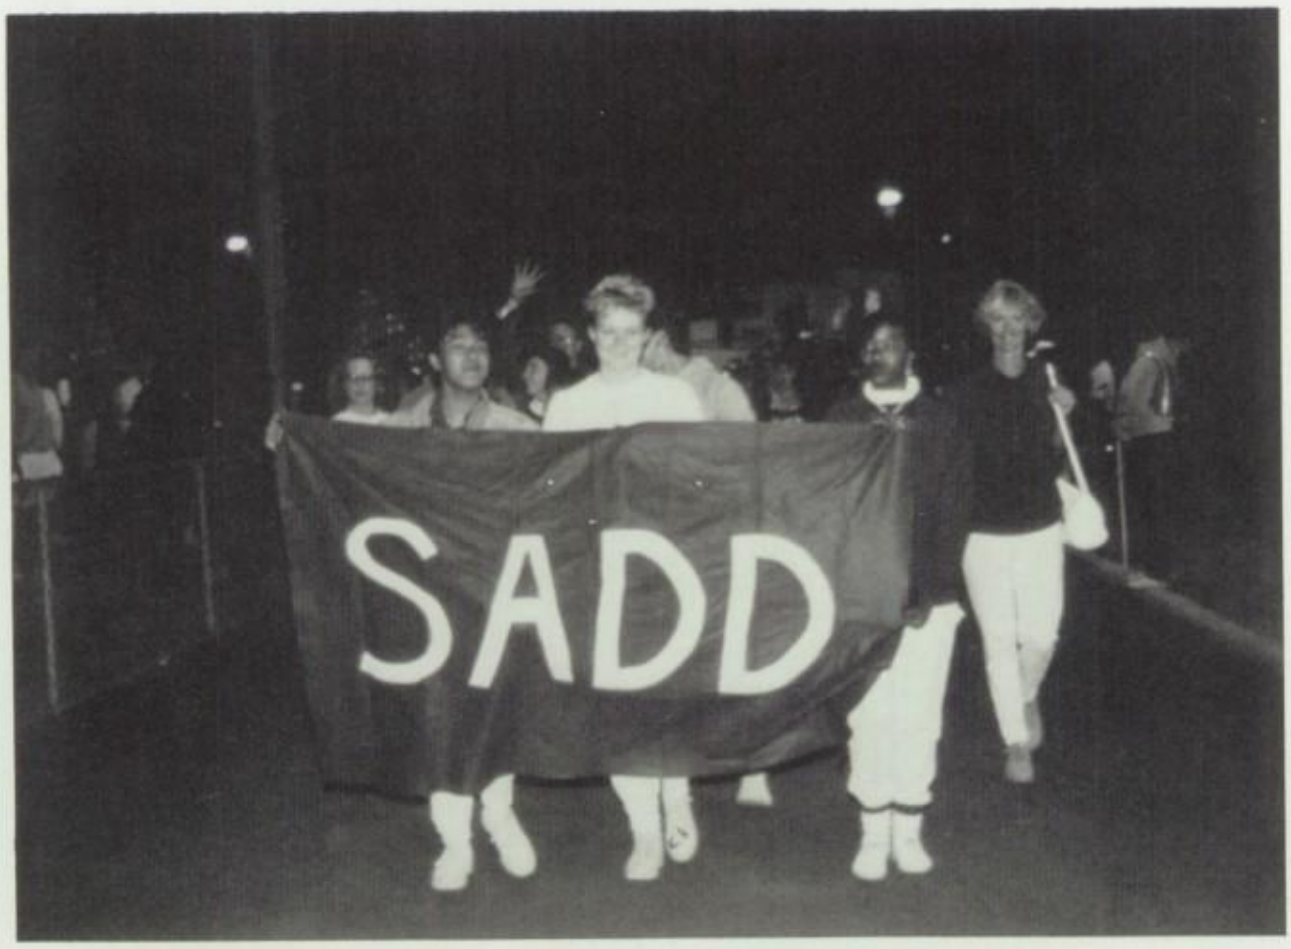
Students Against Drunk Driving



Erika Dilday, Marie Frazier, and Chris Paredes carry their club banner at the Homecoming game.

SADD (Students Against Drunk Driving) is an organization which creates positive peer pressure against drunk driving. Last year, SADD members passed out candy canes at the Christmas Mass to promote safe holidays by asking students not to drink and drive. This year, SADD passed out the same type of reminders before the senior/junior prom. Moderator Patti Loehr has continually motivated the club members to keep drunk drivers off the road. She provided a contract for students and their parents, in which students agreed to call home if they, or their ride, were too intoxicated to drive, and parents agreed to provide a ride, if their child phoned. The steady growth in the membership of the club seems to indicate that high school students are aware of the problem and want to do something about it.

ASB officers meet with the Japanese students for a cultural conference.

The Student Council has worked very hard this year in their never-ending quest to find enjoyable and interesting activities for students. The ASB welcome Frosh Dance began the year, followed by a pep rally which included a "no hands" pie-eating contest. Primetime began on October 19 with a flurry of Homecoming Activities, from spirit games and "Make A Night" to the Homecoming pep rally and "An Evening Under the Stars" at the Galleria. November brought a visit from high school students from Japan. Student Council members served as tour guides who offered their hospitality and time to them. A volleyball game was also played between the Japanese students and our own. Other activities were also planned such as "Santa's Visit" and the Winter Formal. Through its organization and effort, Student Council has definitely proved that it is devoted to finding interesting activities to keep students enthusiastic about school throughout the year.

The Knights have won more than a hundred trophies and awards in league action this year. In addition, according to moderator Chuck Vogler, an unusually high number of Freshmen promises great prospects for the future.

Our novice debate team, led by Ernesto Napoles, has begun shaking up the competition By defeating such normally leading schools as Westlake and Beverly Hills High School.

Senior Class shows that reaching the top is just the beginning.

The Class of 1988, following the lead of dedicated class officers, prided itself on a year of awareness, concern, and enthusiasm.

The powerful senior retreats provided the inspiration to tackle challenges like the clean campus campaign, as well as to face important decisions regarding the future. Spirit week called the class together as one in a variety of activities, ranging from the class mass to the display of the creative class sweatshirts.

The Senior class moderators, Mrs. Judy Kline and Mr. Brian McGoldrick (above), along with John Carmichael (Pres.), Marisa Gierlich (V. Pres.), Lee Berger (Sec.), Andrea Arias (Treas.), Jamie Wallace (Sen.), and Tracy Neal (Pub. Coord.), laid the foundation for a year of non-stop activity, sparked by a strong bond of unity and limitless enthusiasm.

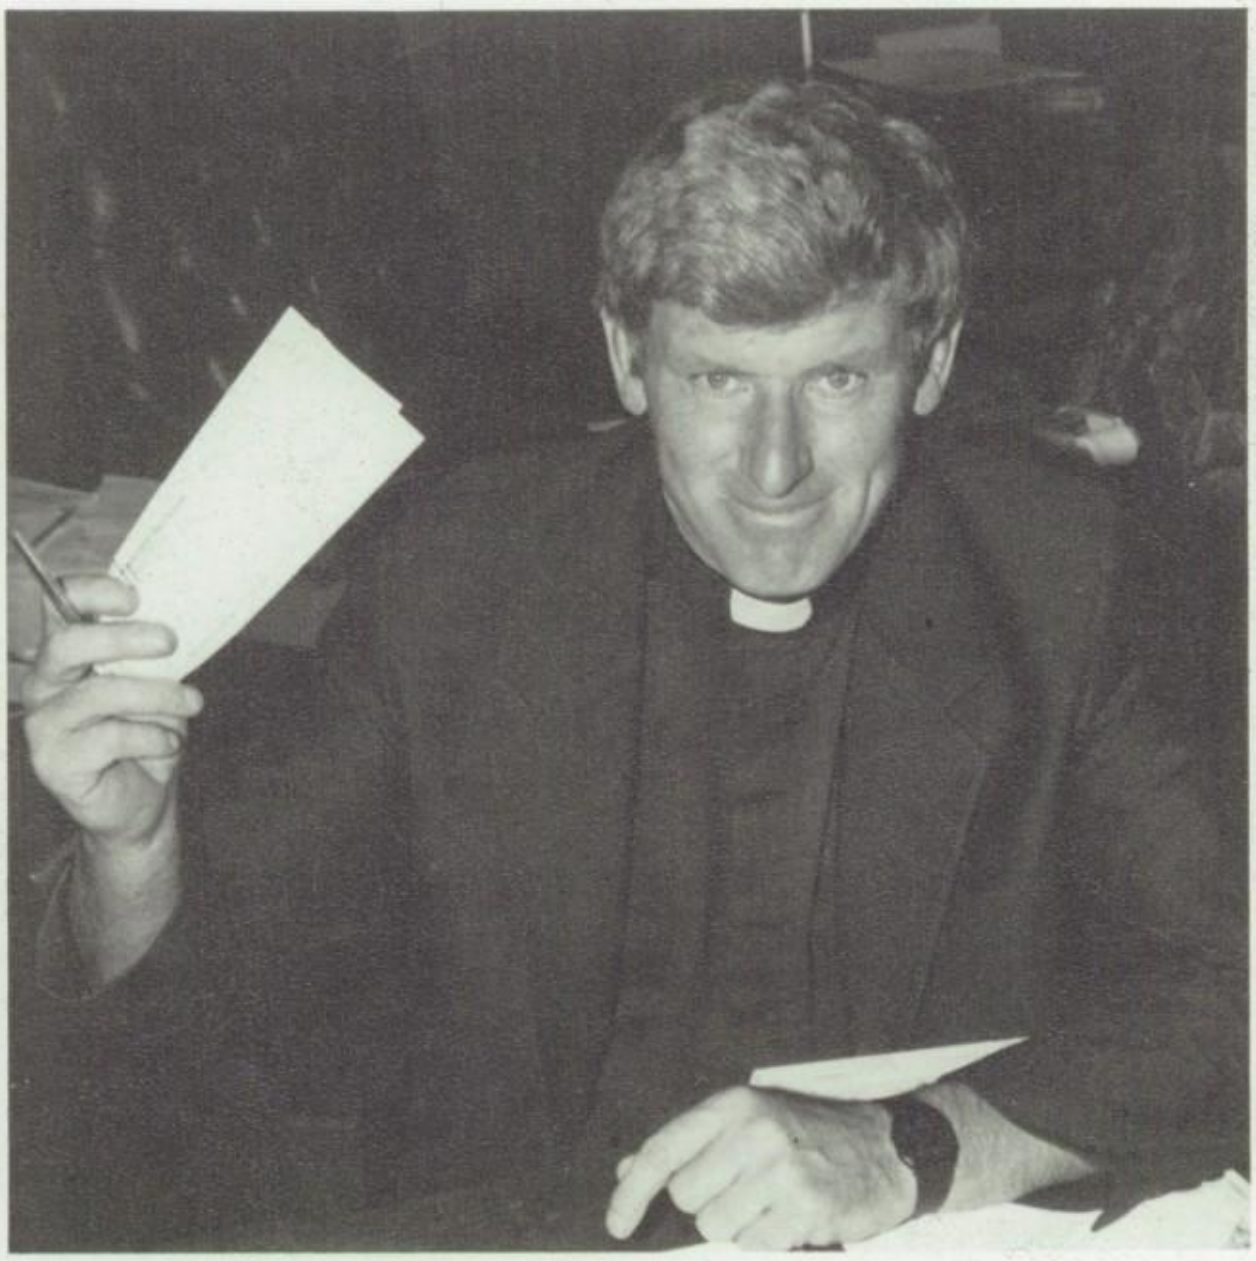
1988—A year of change for Bishop and its administration.

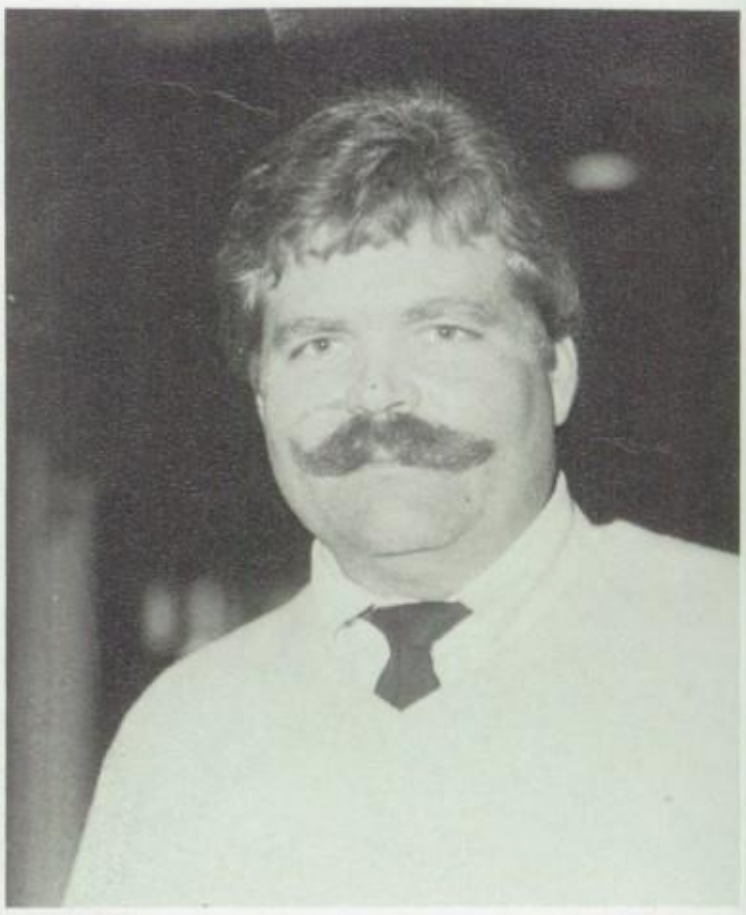


In-house computer system . . . new snack bar . . . weight room . . . tennis courts . . . pool - these and many other projects have changed the face of Bishop Montogmery, and are a tribute to the dynamic leadership of Fr. Comerford, the forward-looking principal who left Bishop a legacy of progress and innovation.

His successor, Mrs. Dorothy Pittelkau, is in her ninth year at Bishop. She has put countless hours into setting up the new computer system, in addition to carrying out her duties as Assistant Principal for Curriculum and Summer School Principal. In February, Mrs. Pittelkau became Principal when Father Comerford resigned.

Mr. Jim Stavang, Vice Principal, is in charge of staff development. His duties include improving the quality of instruction, which he accomplishes through an ongoing program of evaluations, staff and individual conferences, and working with the counselors.

(Counter-clockwise from left) Judging by Father Comerford's smile, the checks must represent incoming money. Mrs. Pittelkau looks pleased with raffle returns from Doug Holmes and Carolyn Bolokowicz. Mr. Stavang pauses on his way to Humanities class.



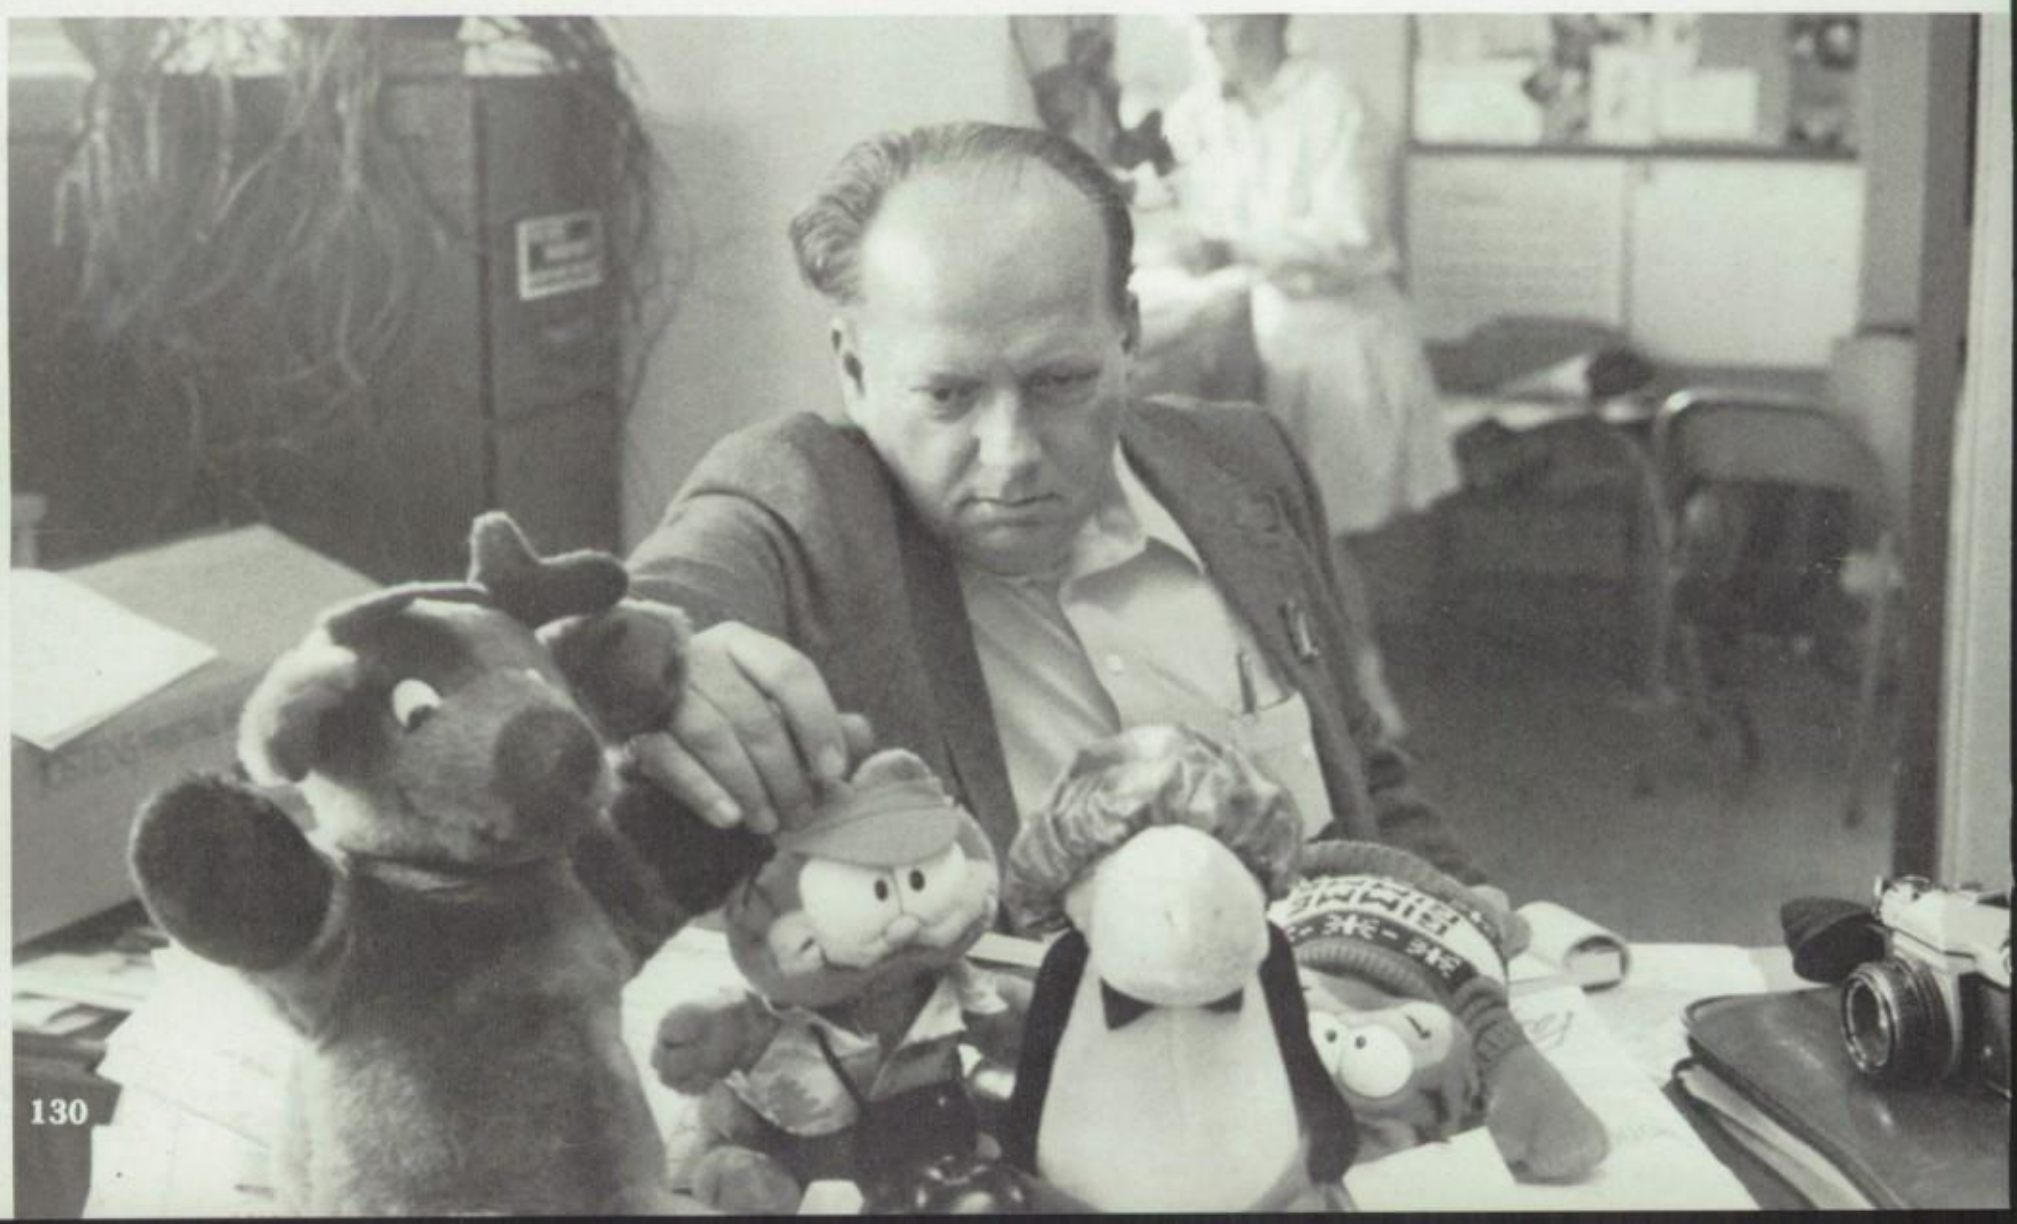
The goal of the deans is to help students prepare to enter the real world by teaching them discipline. Mr. Barry, who replaced Mr. Szczepaniak in the Spring, is well suited for his job since he came from law enforcement. This is Ms. Collete's 10th year at Bishop. She was drill team moderator for four years and also coached softball. This year, she served as Girls' Athletic Director, as well as being the girls dean.

(above) Mr. Barry gets a taste of his own medicine. (below) Ms. Collette, if you can't beat 'em, join 'em!

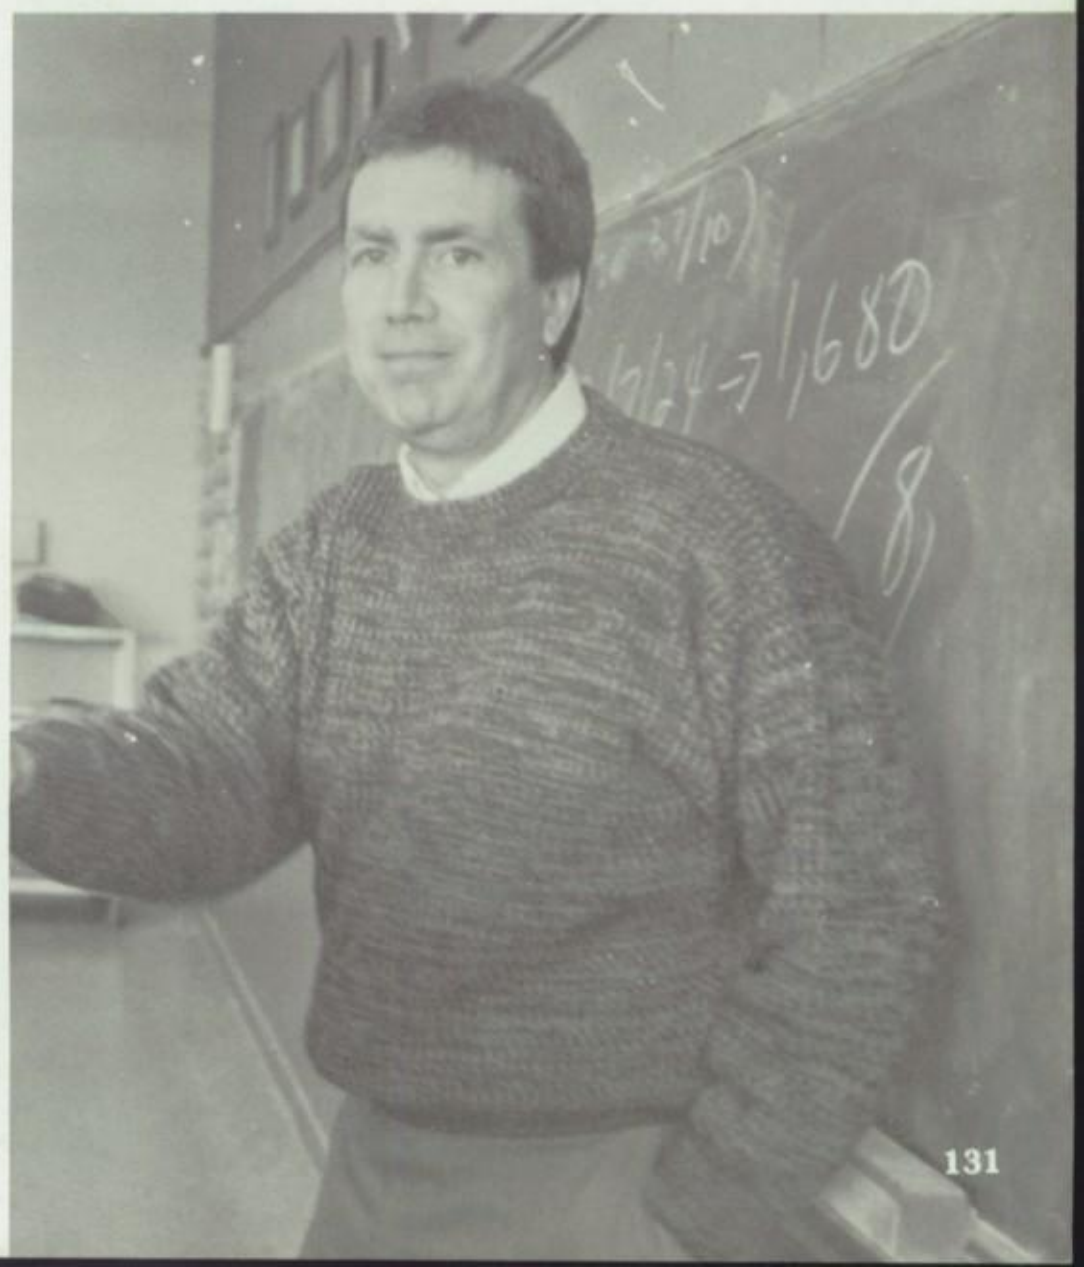
English Department offers broad curriculum.

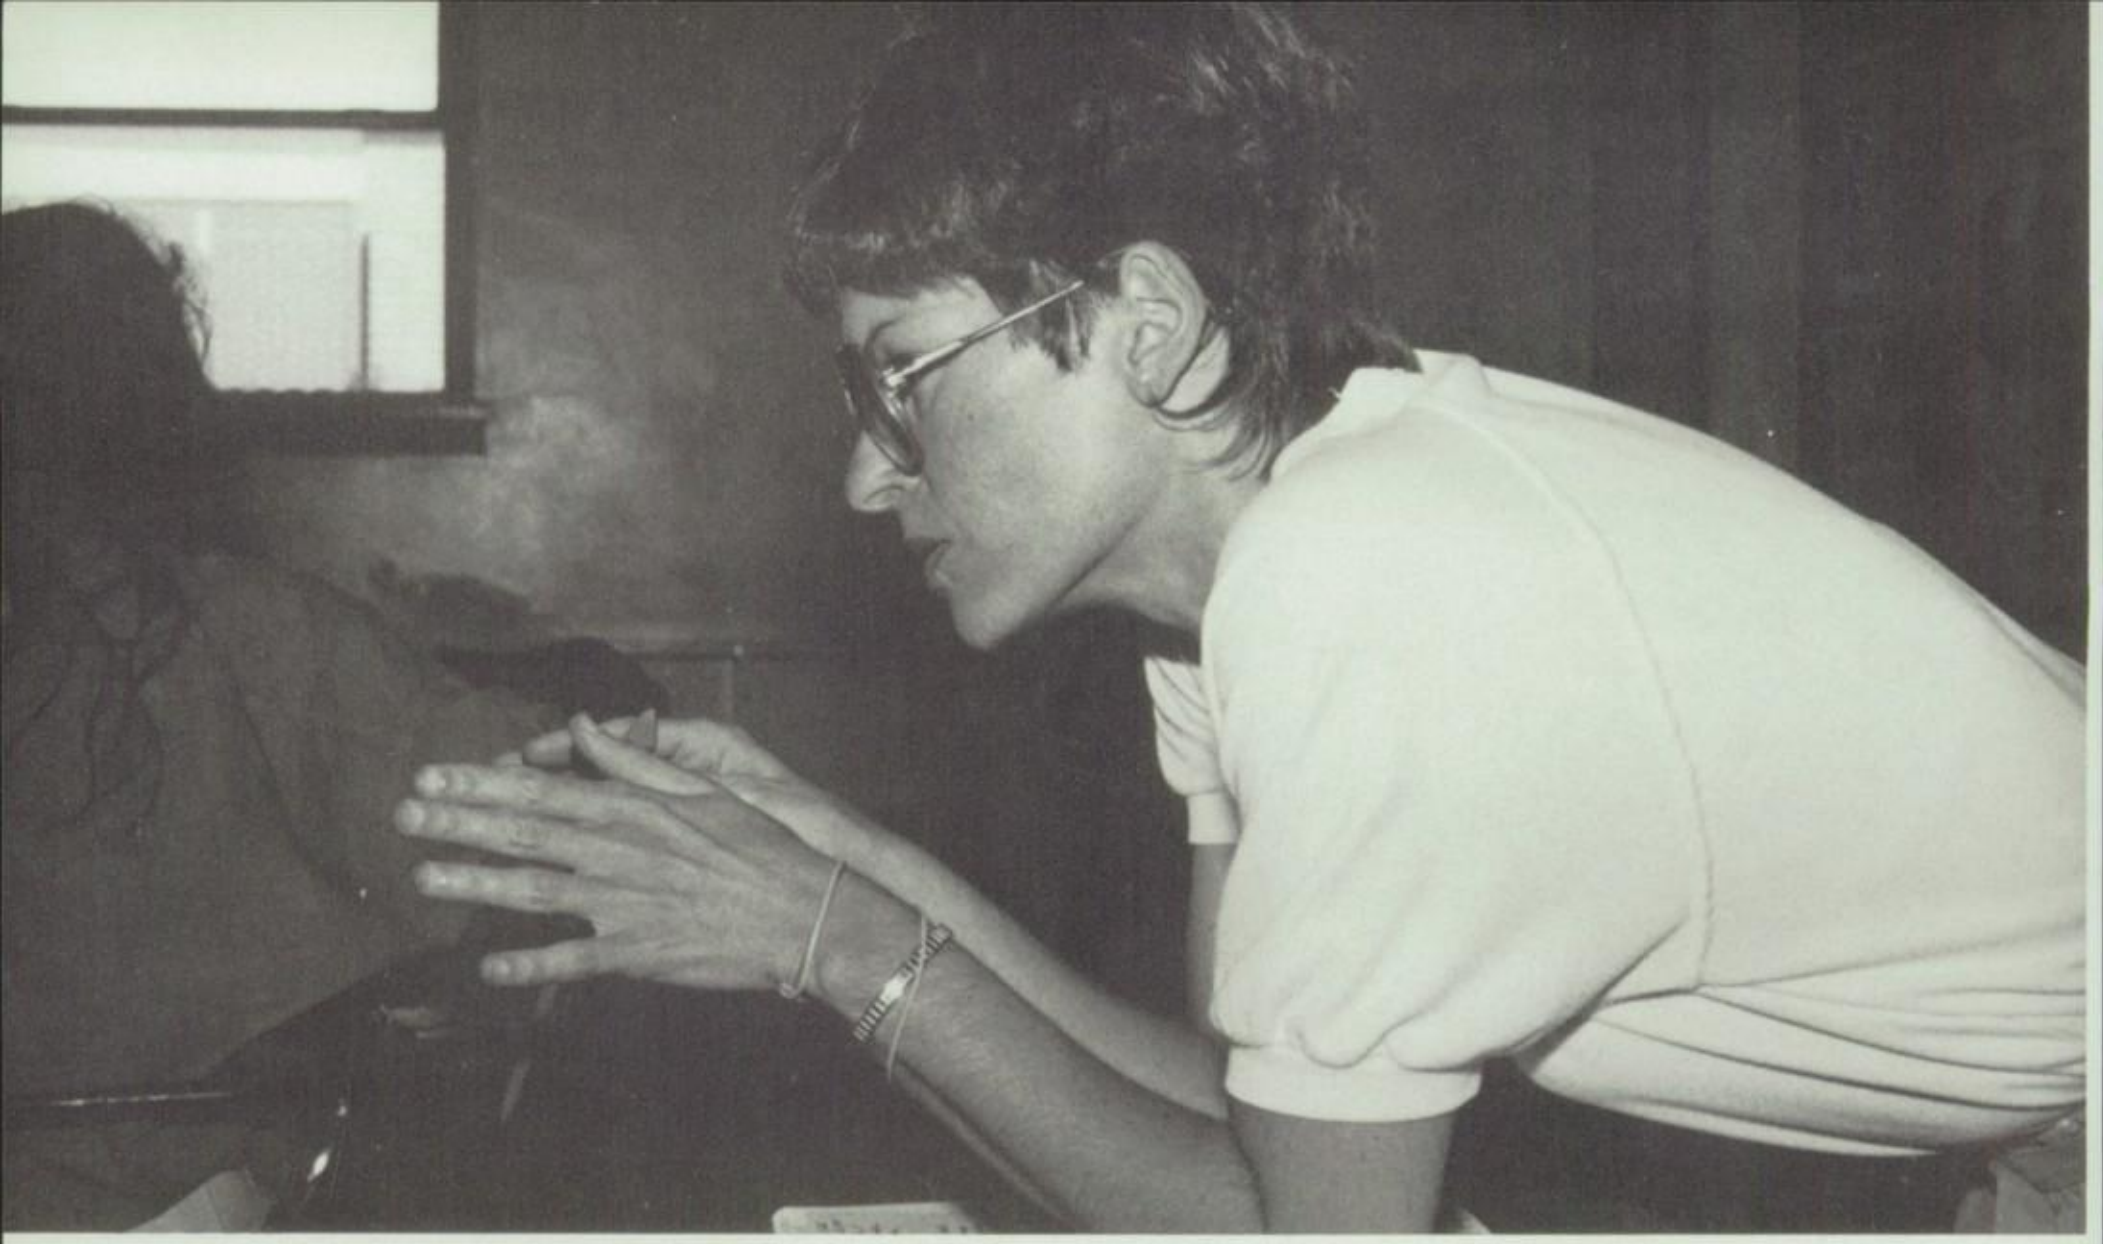
(Clockwise from left): Mrs. Egan is caught by suprise on Halloween. How can anyone be as happy as Sr. Nicole is over a Research and Writing class? Our serious British Literature and Intermediate Composition teacher, Mr. Llewelyn, makes sure Garfield is in his proper place.

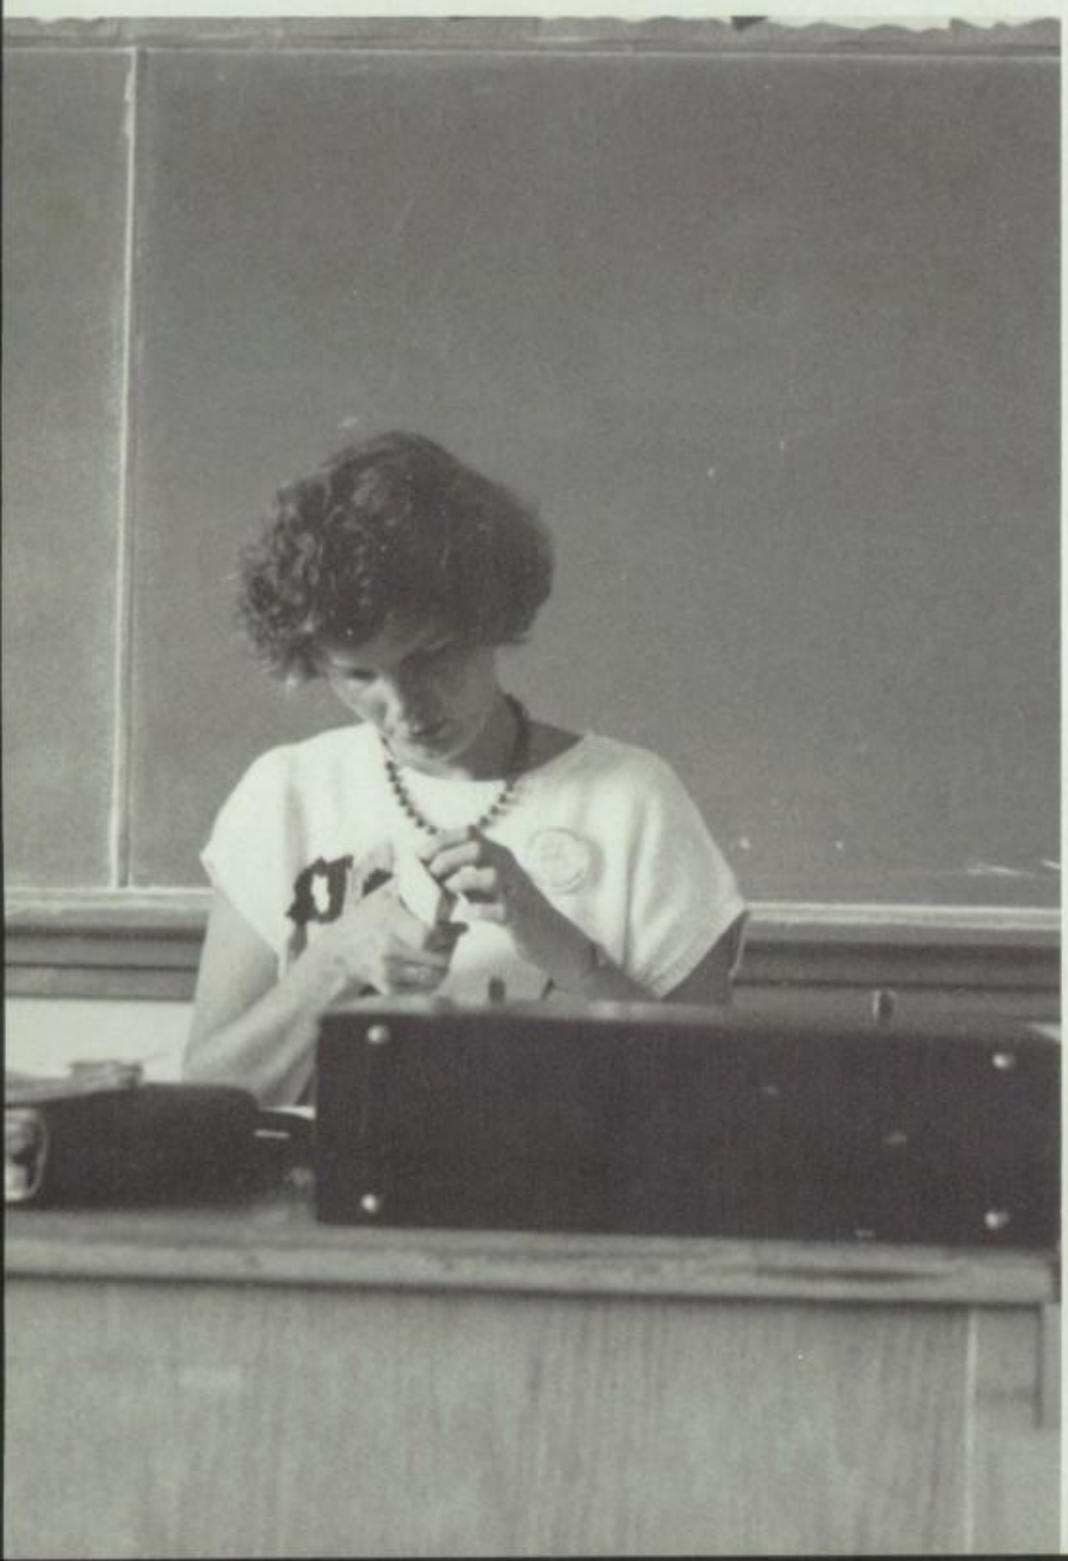
This year the English Department has put a strong emphasis on improved reading and writing in all classes. Composition and Speech, taught by Mr. Vogler, was added to the curriculum. It concentrates on writing along with oral communication. To help English skills, a summer reading program was added two years ago for honors students. Students are given a specified number of novels to read and are tested and given writings on it.



(clockwise from above) Mrs. Berry looks happy about another one of her successful lectures. She is the moderator of Concordia and teaches American Literature and English I. Mrs. Skelley seems to have had a tough morning in her freshmen English class. She also teaches English II and Intermediate Composition. Mr. Bill Gallagher, who teaches English II and American Literature Honors, enlightens his students on the proper use of the English language. Mrs. Therese Stewart enjoys a peaceful moment during one of her English classes. She teaches English I and English II.





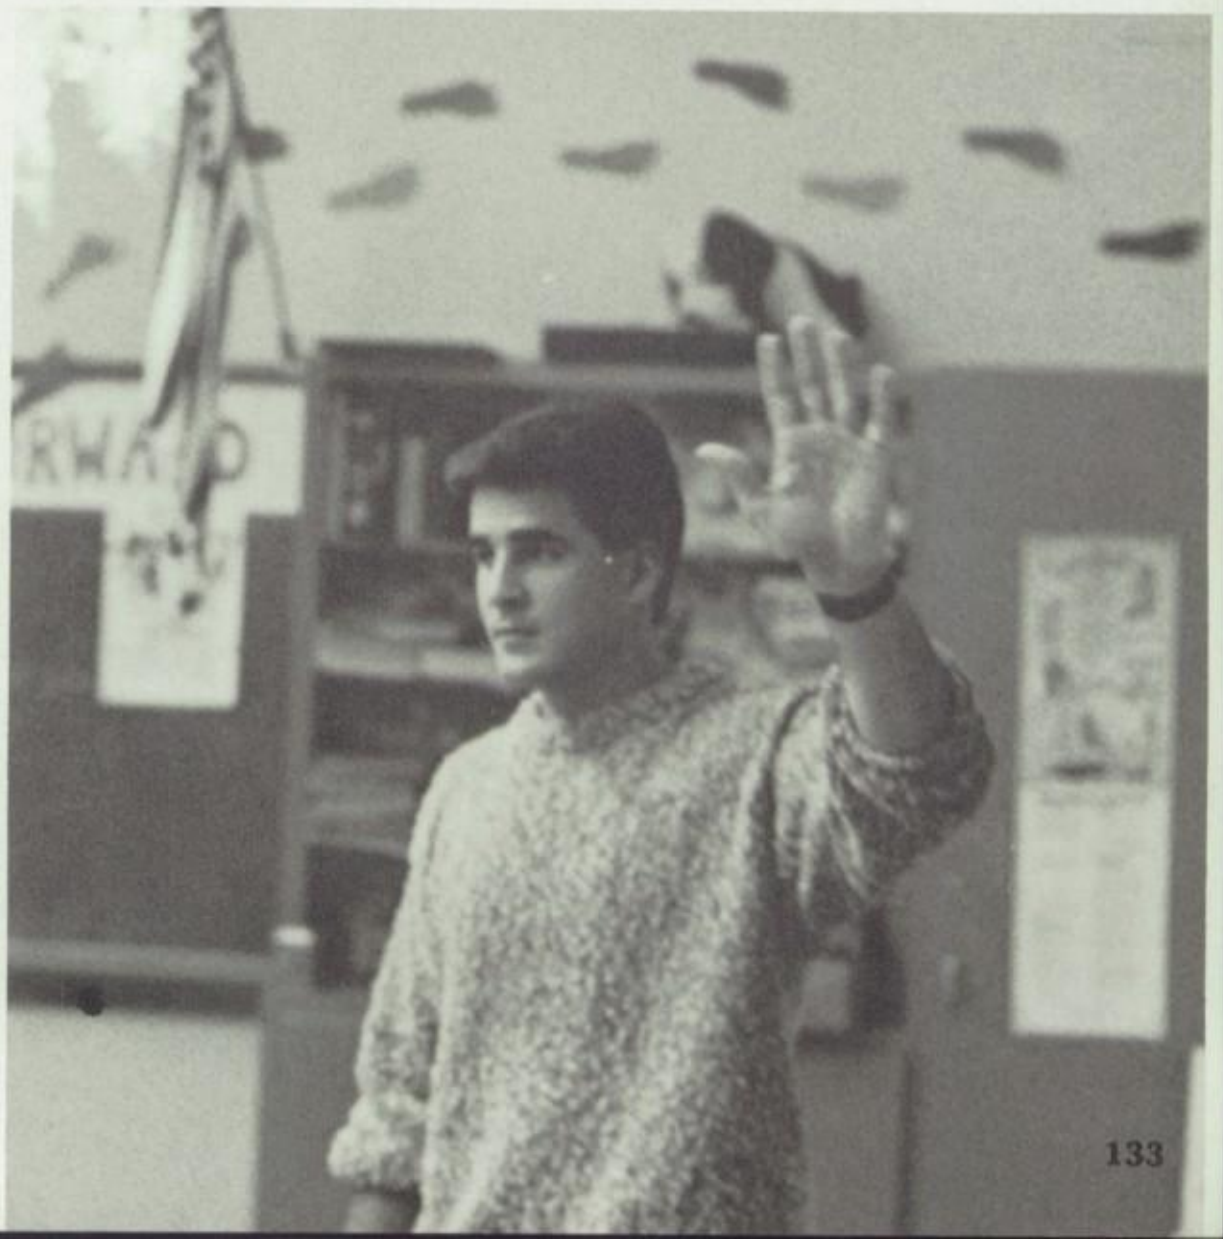


(clockwise from above) Ms. Sherrie Schneider focuses on a concept in her Research and Writing class. Her other classes include Imaginative Literature and English II. Mrs. Jeanne Sellers is about to enjoy another lunch with her fellow faculty members. As the Raffle ends, Mrs. Karen Adamik counts the total tickets from her homeroom. She teaches English I, English I Honors, and British Literature.

The Math department makes education count . . .

The Math Department offers one of the largest academic challenges in the school. Offering twelve different subjects, it gives students several different ways to fullfill the UC math requirements. It is a very stable department, which accounts for the curriculum not changing this year.

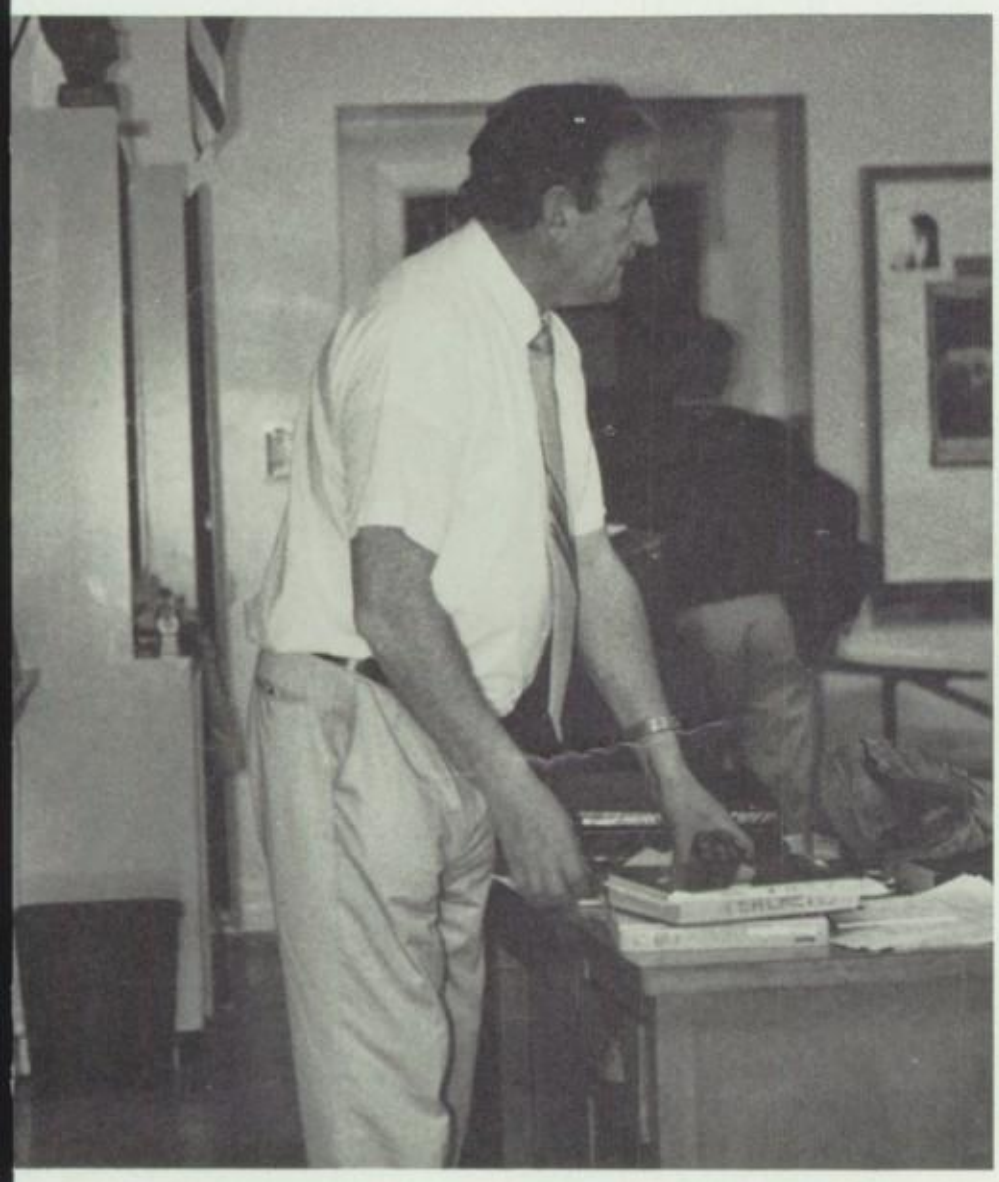
(Clockwise from left): Mr. Petrou, who teaches Geometry and Algebra I, struts his stuff at the Concordia Fashion Show. Mrs. Allen, the Head of the department, is hard at work with her Algebra II class. Mr. Basile, who teaches Algebra II Honors and Intermediate Algebra, illustrates another algebraic principle to his students.



(clockwise from above) Mrs. Barr loves her Trigonometry class. She teaches Probability and Statistics and Pre-Calculus. Mrs. Sellers shows off at the Fashion Show. Her classes are Pre-Algebra and Algebra I. Our computer whiz, Mr. Richard White, takes his break with the church lady, Mrs. Loehr, on Hallowe'en.

Math teachers show lots of enthusiasm.

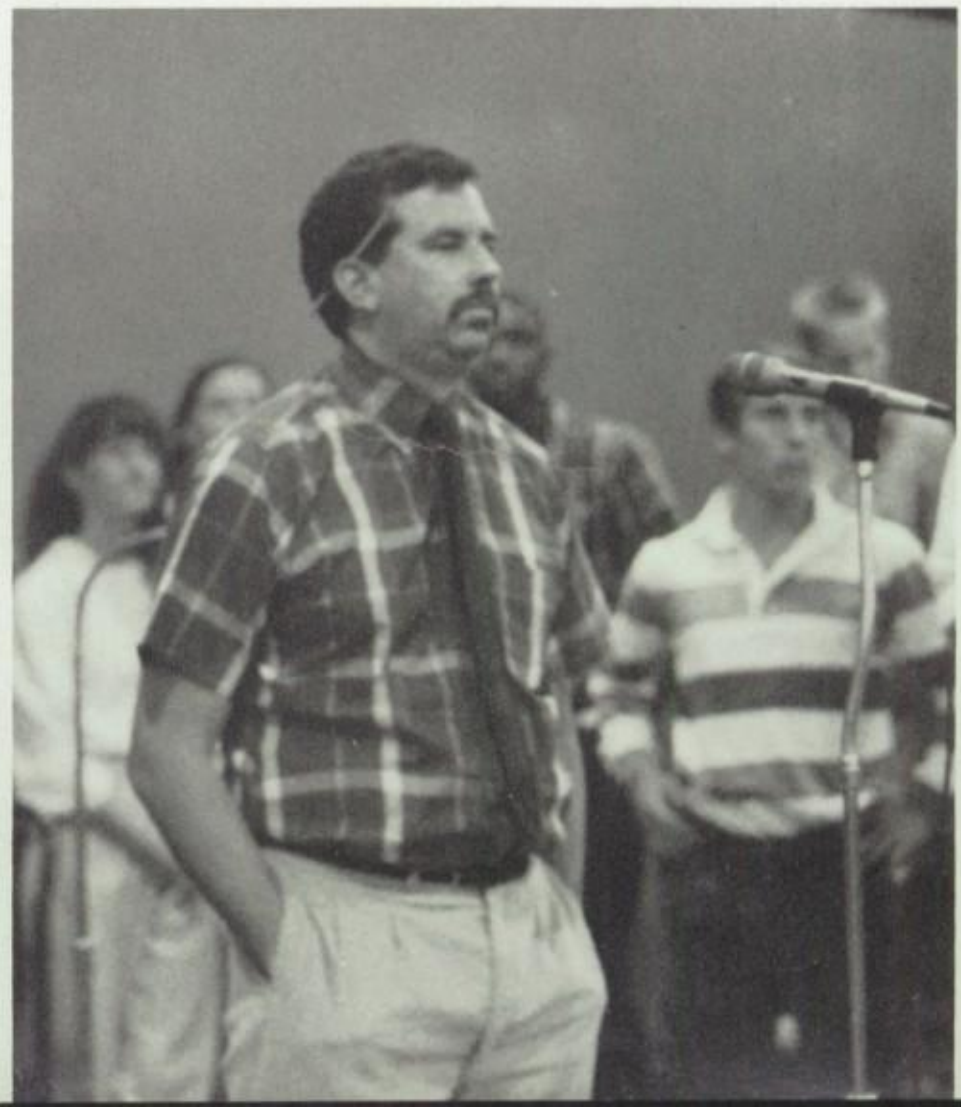
(clockwise from left) Mrs. Murphy is happy about substitiuting 6th period. Mrs. Large instructs her Geometry class. Mr. Prendville teaches Geometry, Geometry Honors, and Pre-Algebra. Mrs. O'Malley enthusiastically grades papers. She instructs two math classes, Algebra I and II, along with her history class, Man and His Environment.



Social Studies takes on new requirement

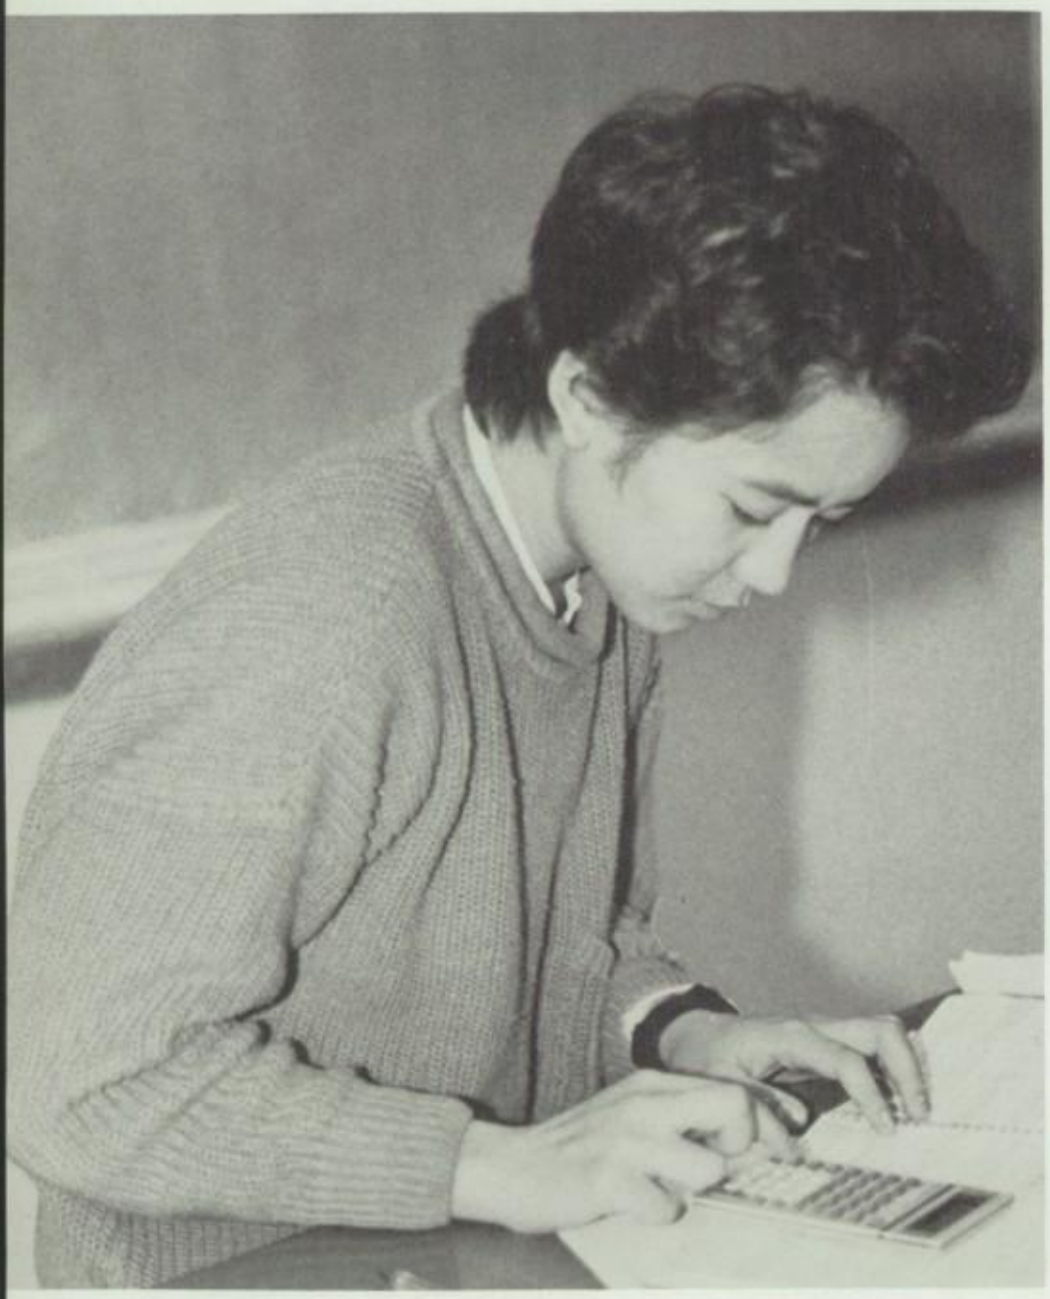
This year the courses offered by the Social Studies Department have remained the same. One small change is that Economics is now required for graduation, starting with the class of 1989.

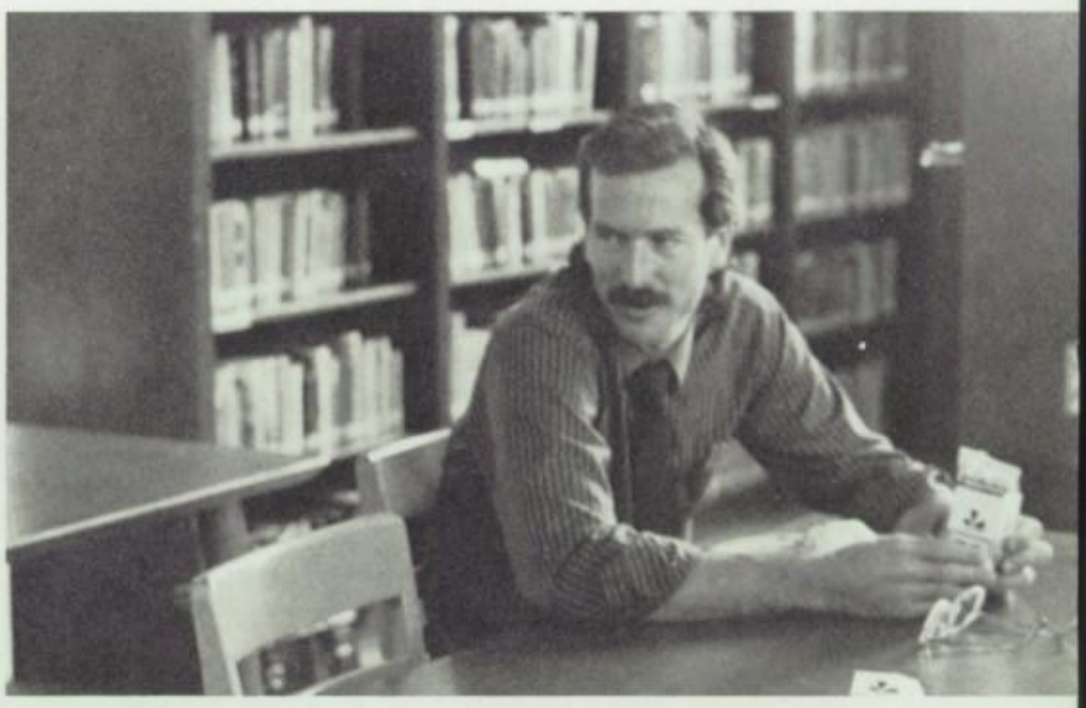
(Left) Mr. Bill Wolfenbarger, head of the Social Studies Department, shows off yet another of his inventive Halloween costumes. He teaches Classical Civilizations, Man and His Environment, and Introduction to Anthropology. (Above) Could it be that Mr. Butler, who teaches U.S. Government, and U.S. History, is lecturing on the 60's? (Below) Mr. Leonard reflects for a moment at Mr. Sterling Hart's memorial service. He teaches U.S. History, U.S. Government, and U.S. After 1945.

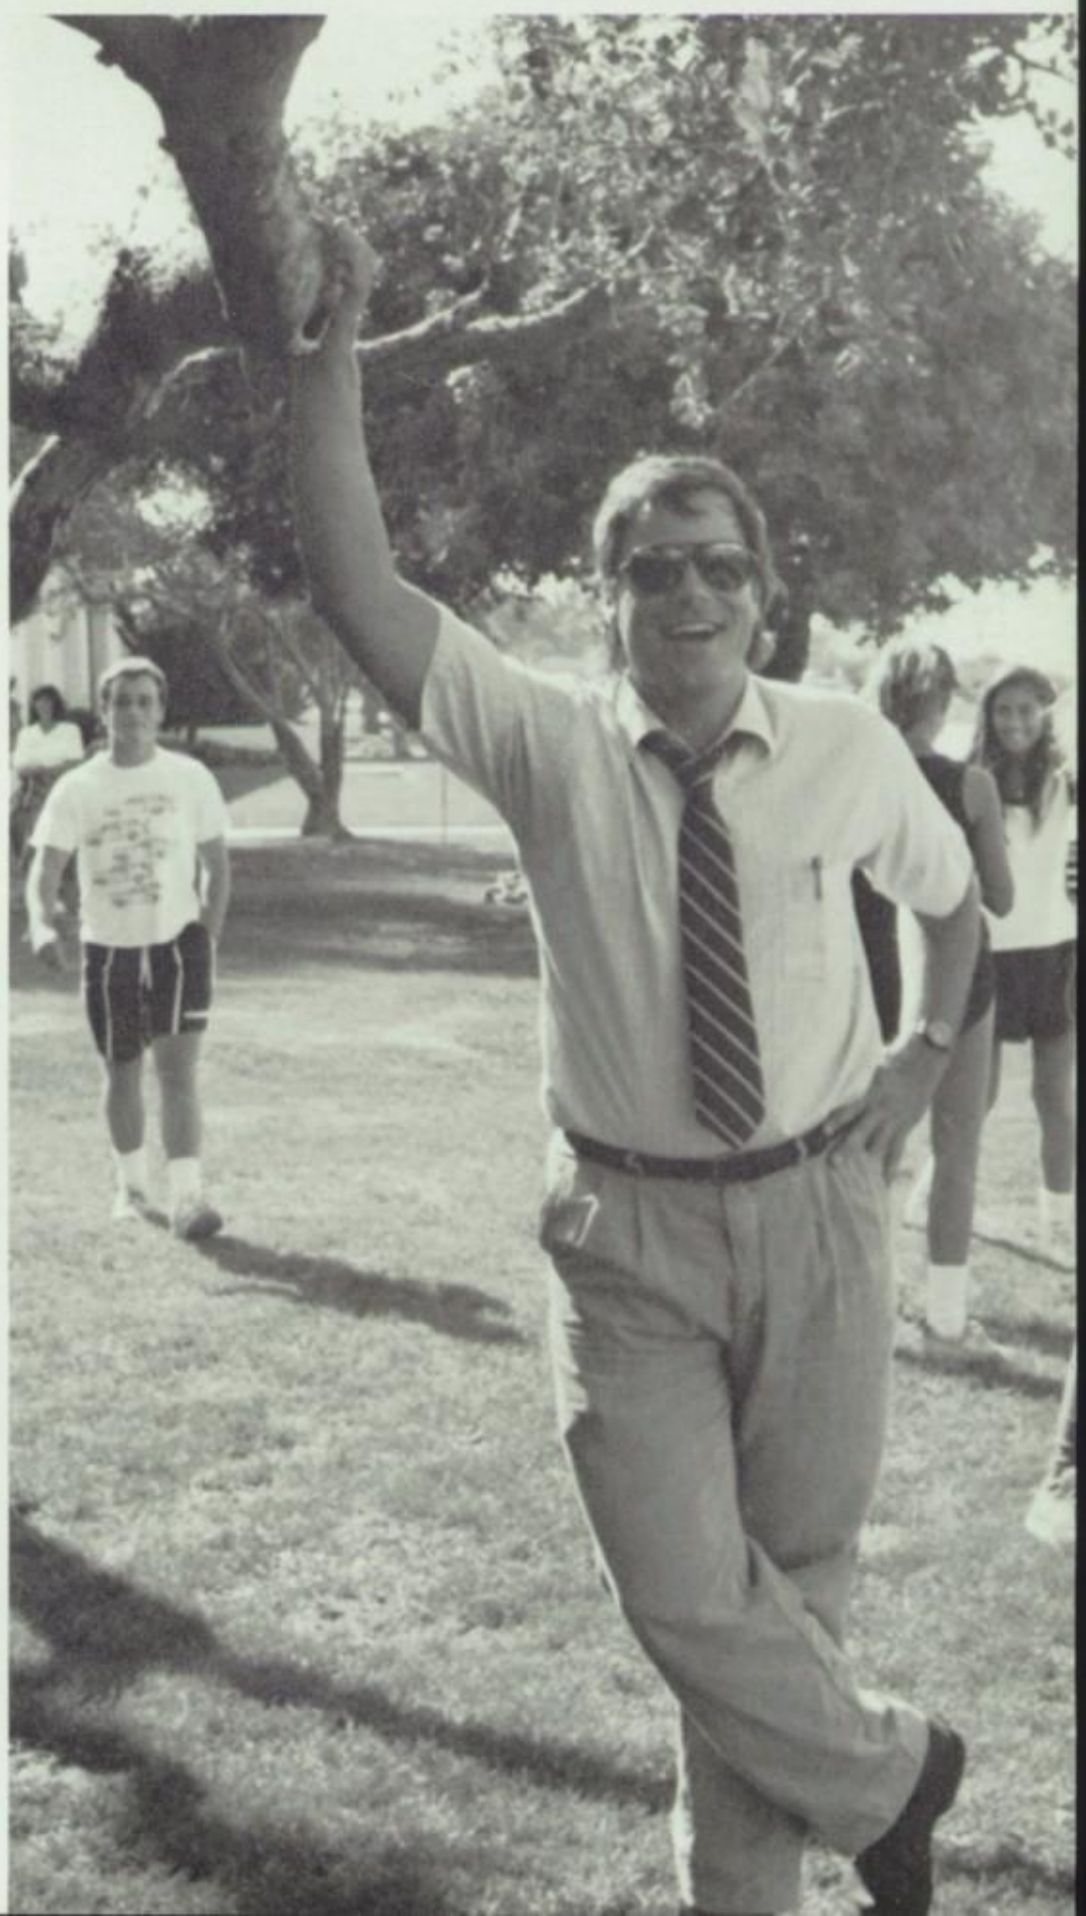


(Clockwise from above): Mr. Costigan reflects on another friendship he has made at BMHS after his Modern Europe class. Mr. Friedman, who teaches Man and His Enviroment and Classical Civilation, enjoys fishing aside from teaching. Mrs. Whelch loves to talk about U.S. History with her students.

Science Department revises curriculum.

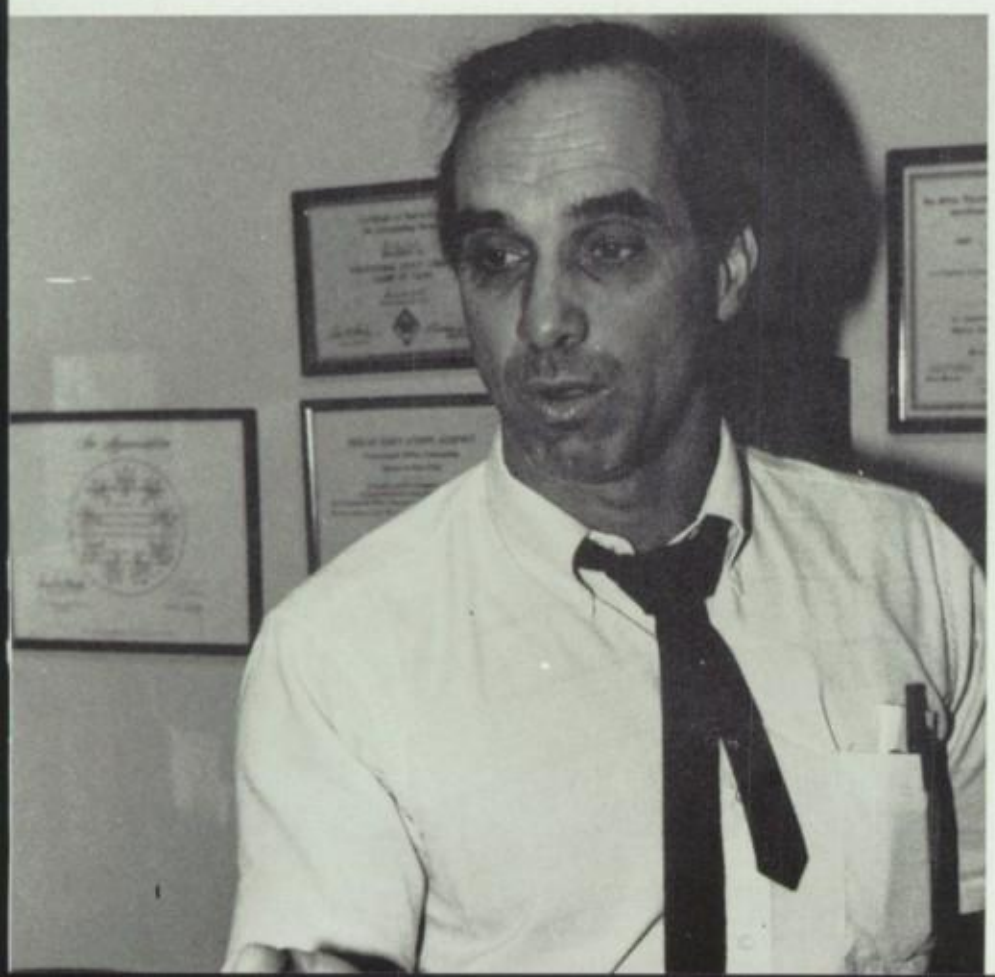






The science curriculum has been revised this year. Selected freshmen were invited to participate in a special four-year sequence in science, mathematics, English, and foreign language. For the first time, the Physical Science classes were open to sophomore students. The department has proposed that the Physics course be designated a University of California honors course. All of the students and faculty busily prepared for the fifth annual Science Fair in April.

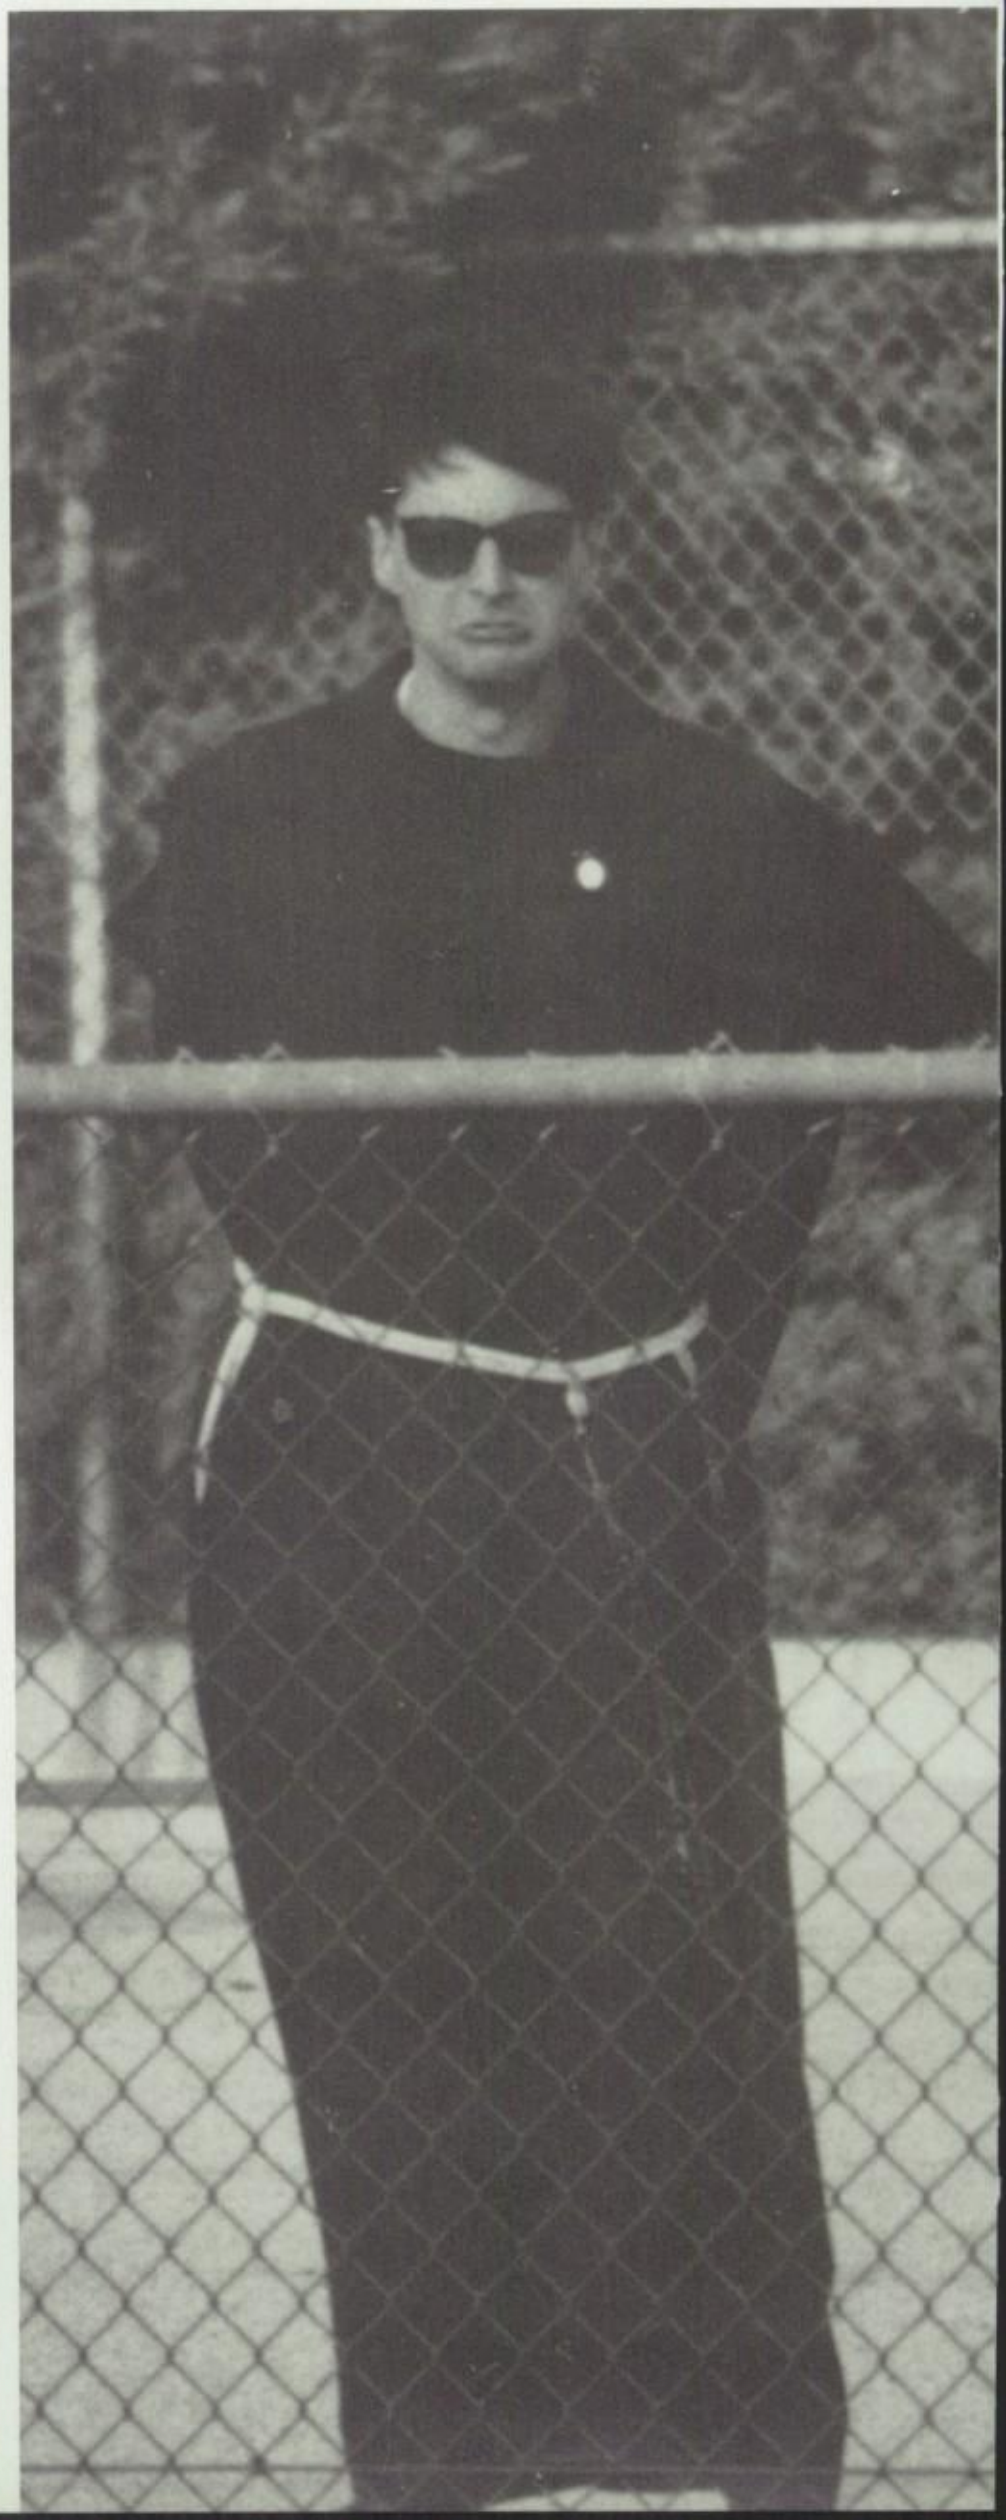
(clockwise from above) Ms. Katherine Swartzfager takes a break from lecturing her Physical Science class. Mr. Brian McGoldrick enjoys a chocolate milk before going back to his biology class. Mr. Butzer, who teaches Anatomy and Physiology, does his bit for conservation by holding up a tree. Mr. Callahan looks frazzled after a hard day of teaching Biology. Mr. Doniak, who teaches P.E. and Physical Science, fulfills his lunch time duties. Ms. Pam Szweda calculates grades for her Chemistry classes after semester finals. Mrs. Barbara Gonzalez, head of the Science Department, teaches Physics and Chemistry. Coach Carroll demonstrates a passing technique for his team. He teaches Physical Science, Classical Civilization and Boys P.E.

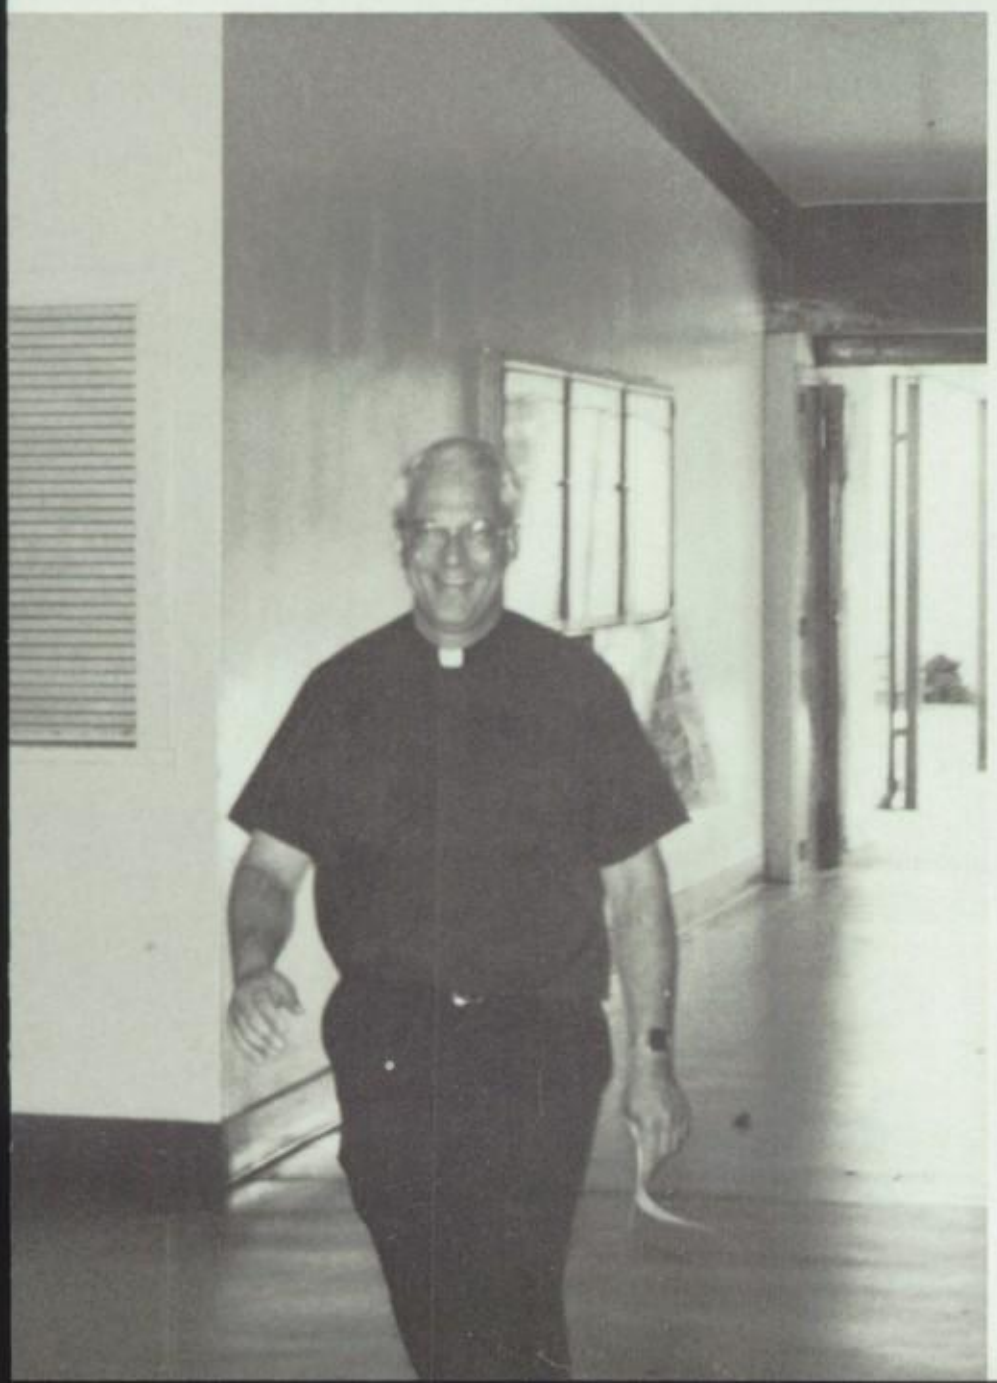


Religion Department revises curriculum

This year there have been many changes. "The curriculum is very solid and the teachers are very excited.", said Sister Janet, head of the Religion Department. Freshman this year will take Morality and Old Testament, while the sophomores will take new Testament and Sacraments. The newest class, for eleventh graders, is called Junior Seminar. This class is divided into 6 weeks on prayer, 6 weeks of Morality and 6 weeks of Social Justice. Marriage and Family is still required for Seniors. Faith issues is another new religion elective open to Juniors and Seniors for next year. Friar Greg and Mr. Tim Forney are additions to the Religion staff.

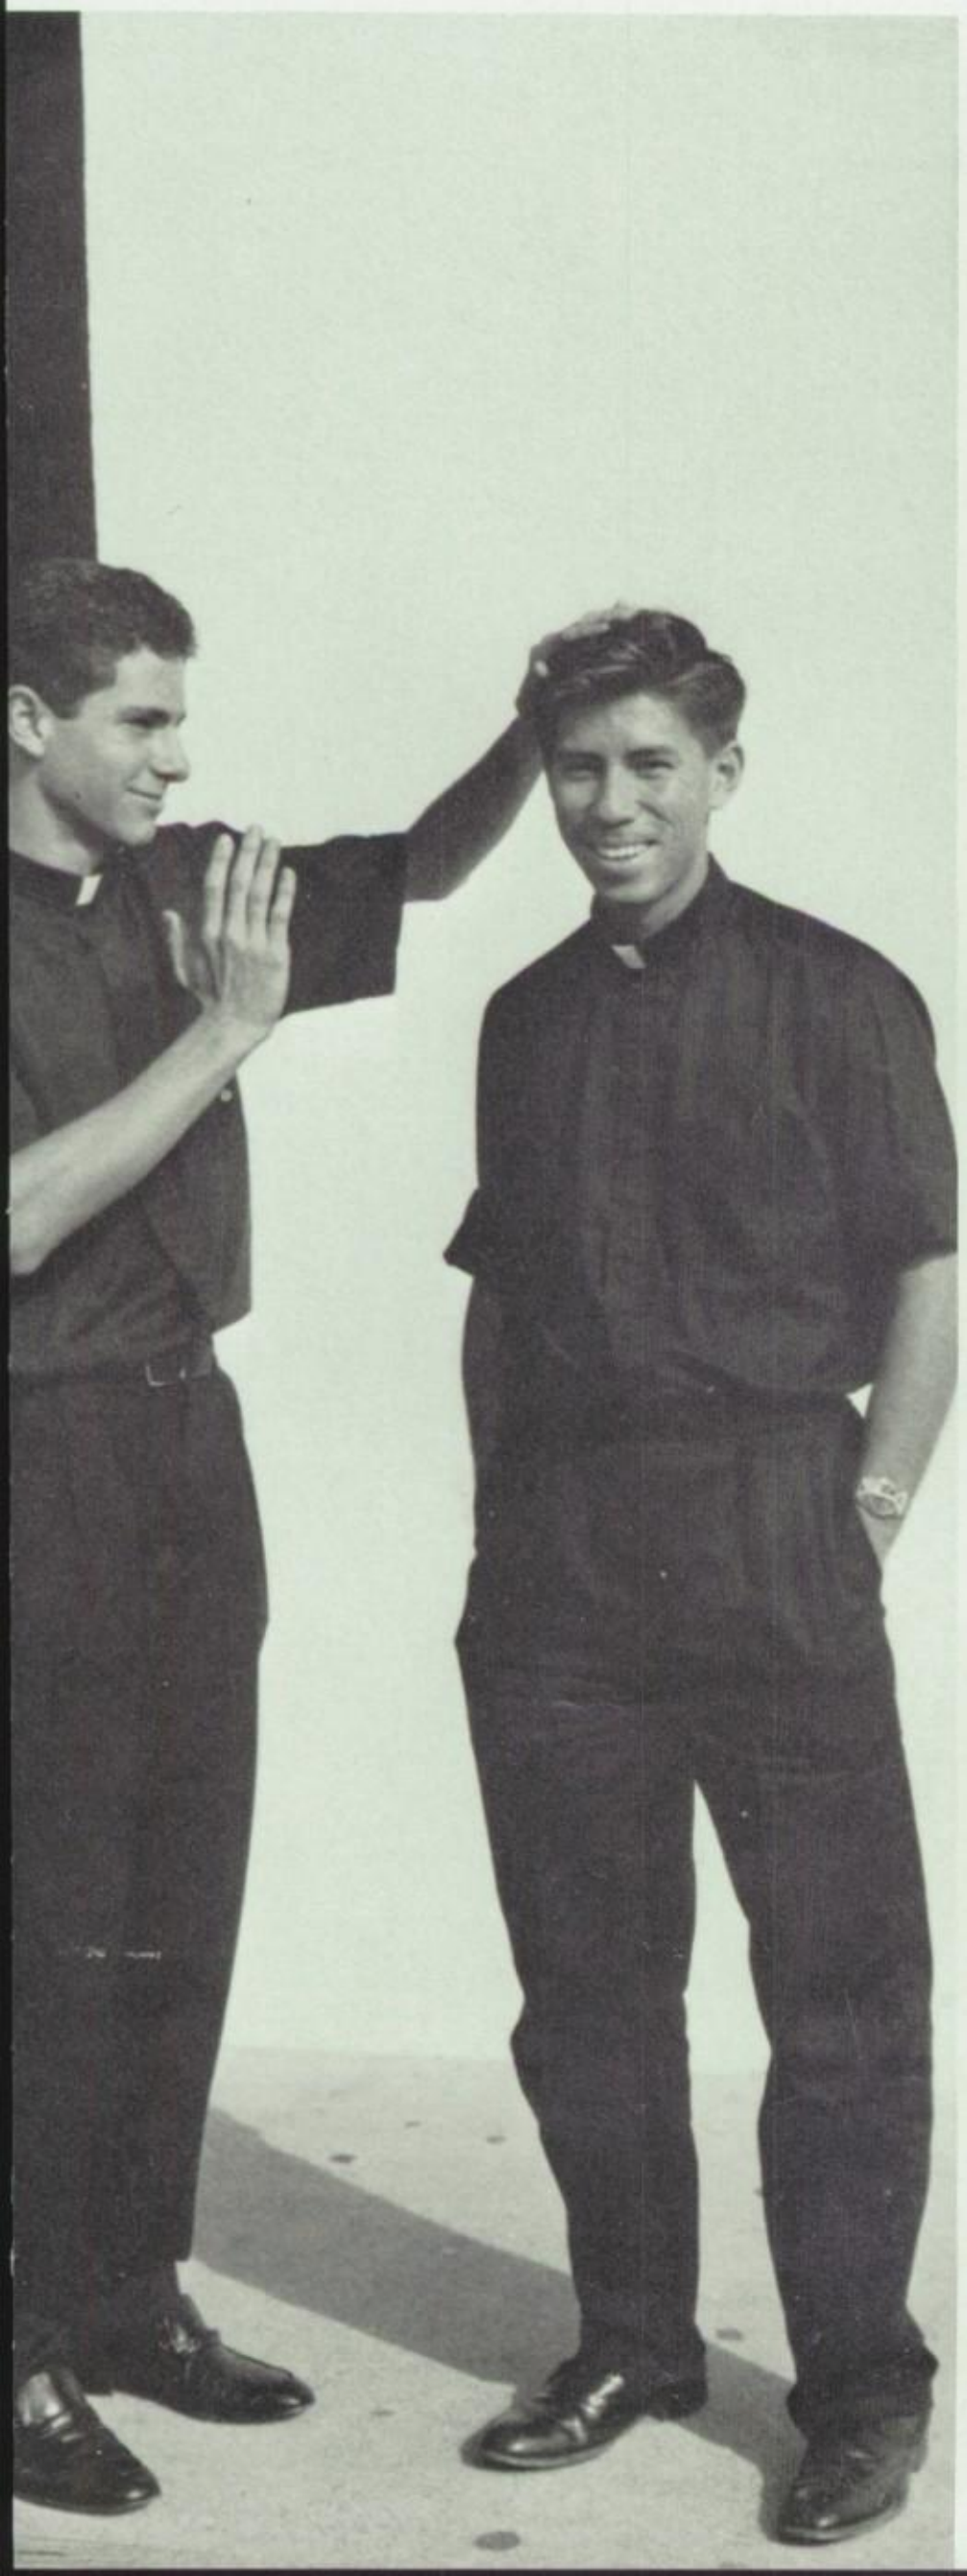
(above) Sister Janet pleades for inspiration from God during one of her Sacraments class. She also teaches Junior Seminar. (right) Father Anthony, who teaches Morality and Old Testament, displays his attitude toward lunch duty! (below) Sister Luke looks pleased with the test results from her Junior Seminar class. She also teaches Old Testament.





(above) Brother Bob, who is the chairman of the Thanksgiving Food Drive, Christmas Toy Drive, and Blood Drives, concentrates on the planning of yet another BMHS activity. He teaches Old Testament and Community Service. (left) Father Gary, the Boys' Athletic Director, is happy at the thought of going to teach his Morality class. (Below) Mr. Forney, a new religion teacher this year, is struck speechless by a student's answer. He teaches Morality and Marriage and Family.

(Above) Friar Gregory, a new member of the Bishop family this year, scans the hall for dress code violators. He teaches Peer Counseling and Moratily. (Right) Mrs. Trujillo spends time with her sister, Sharen Doherty, a former BMHS student. Her classes include Peer Counseling and Marriage and Family.



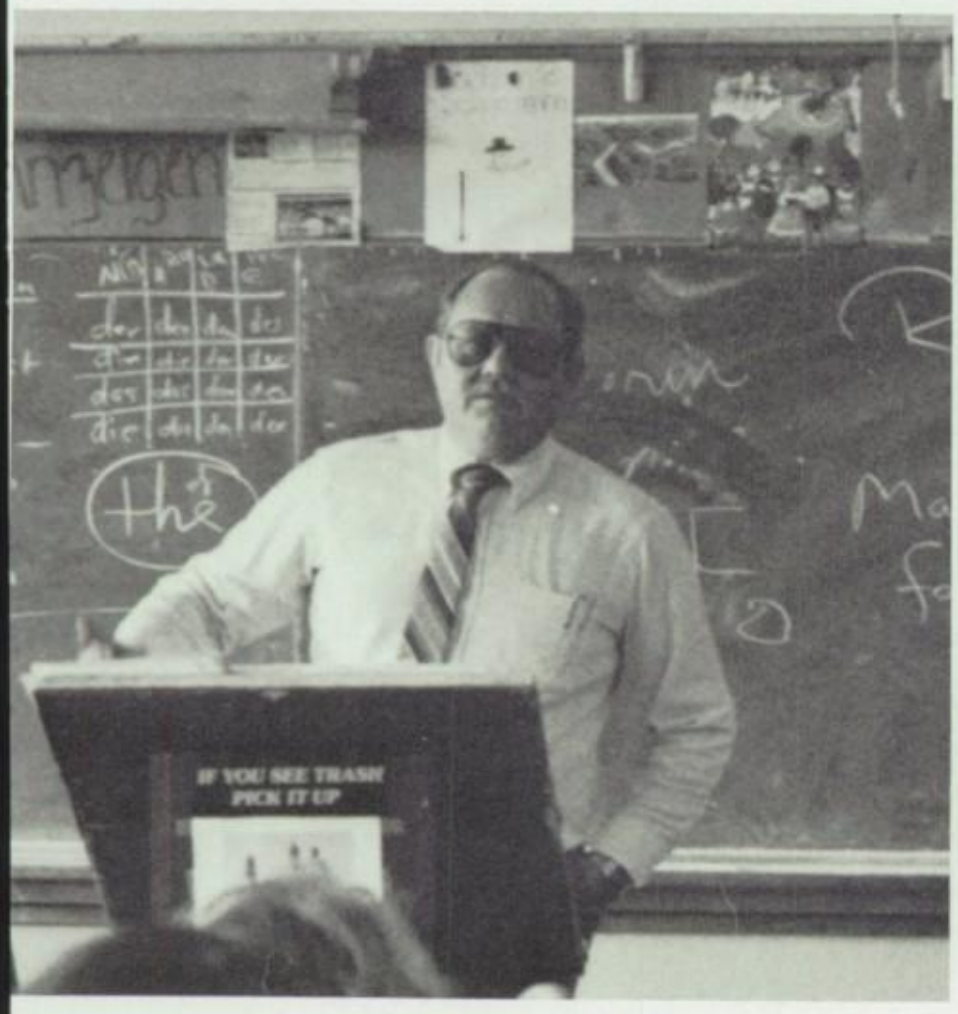
(Clockwise from left) Father Alex receives a much-needed blessing from fellow padre Mark Jahn. He teaches Junior Seminar; as well as counseling students. Ms. Mitchell helps out the freshmen by directing traffic in the 3rd building. She teaches Introduction to Computers, Pre-Calculus, and Campus Ministry. Ms. Vukmanic who is in charge of Campus Ministry, asks for volunteers to plan the Ash Wednesday Mass.

Guidance Center helps students prepare for future

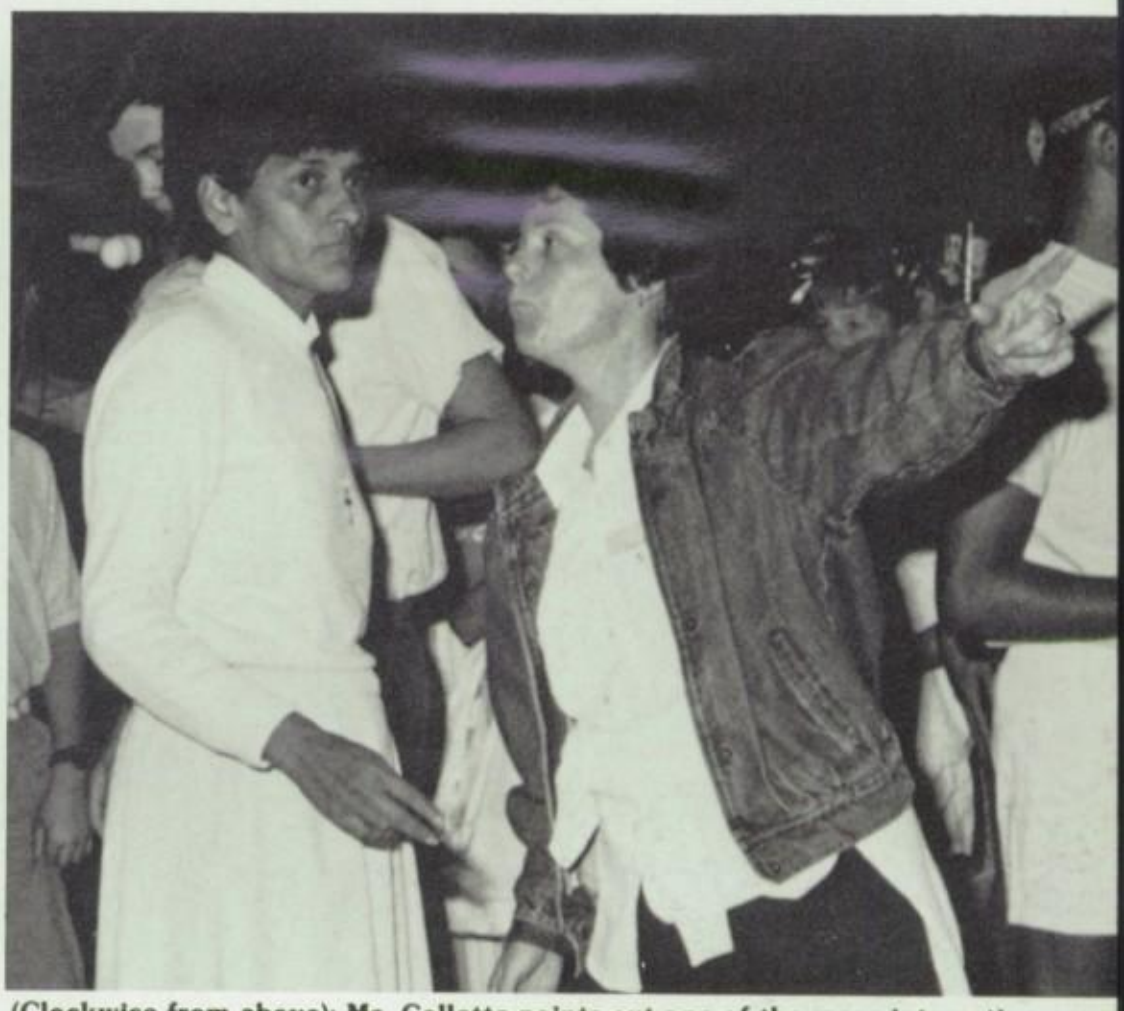
The Counseling Department helps students to prepare for the future. The Counselors give information about colleges, jobs, SAT's, Achievements, as well as counseling students. This year a new addition to the Counseling Center is the Career Planning Program headed by Sister Luke. This program offered to Juniors and Seniors, helps students to focus on their interests, academic qualifications, and career expectations in order to investigate possible job options.

(counter clockwise from above); Mrs. Alexander is one of the counselors in the Guidance Center and she also teaches Research and Writing. Mrs. Martinez Payne enjoys a couple of laughs during a counseling session. Mrs. Mollie Zick teaches Business Law as well as guidance and still has time for school activities like the Concordia Fashion Show. Mrs. Mary Fournier relaxes between counseling appointments.

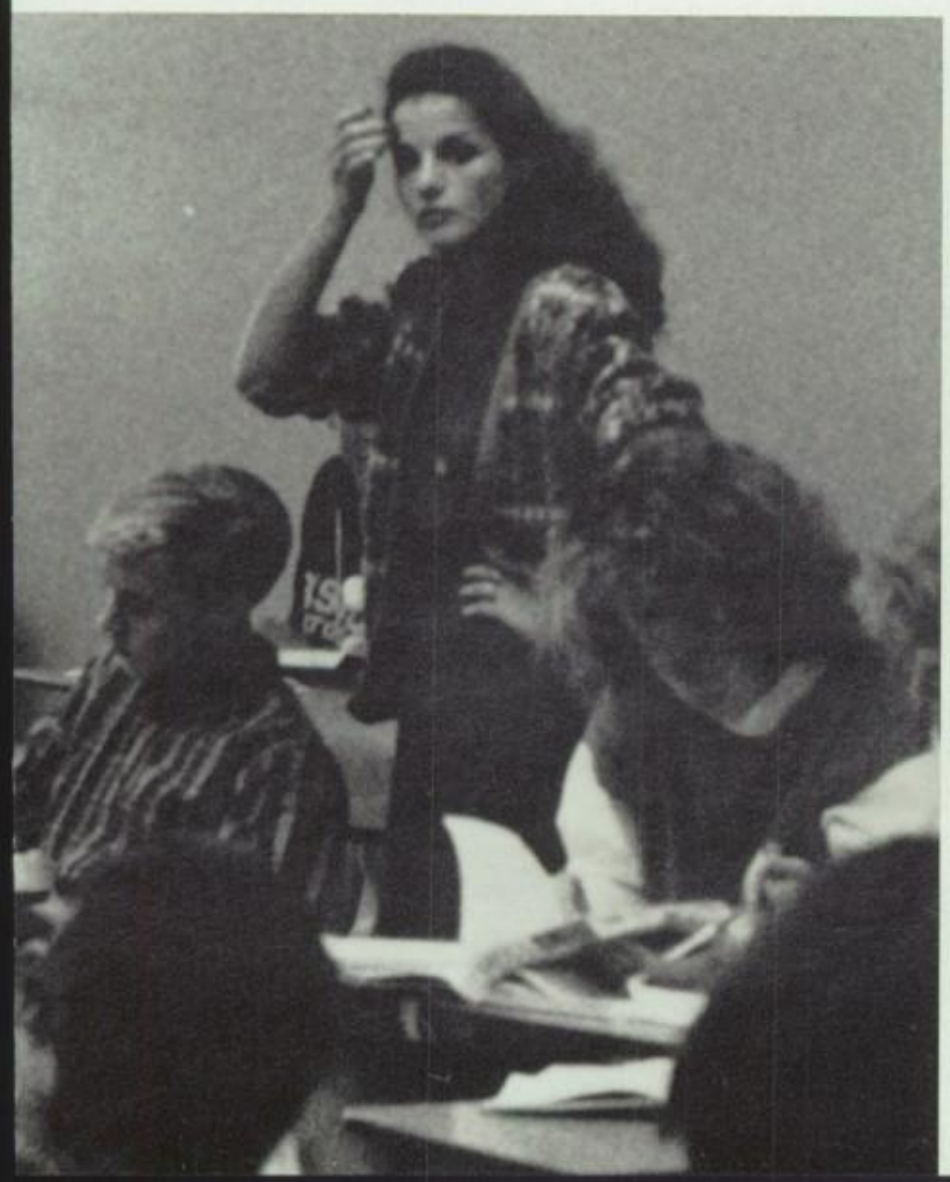
Language Department offers a bit of culture

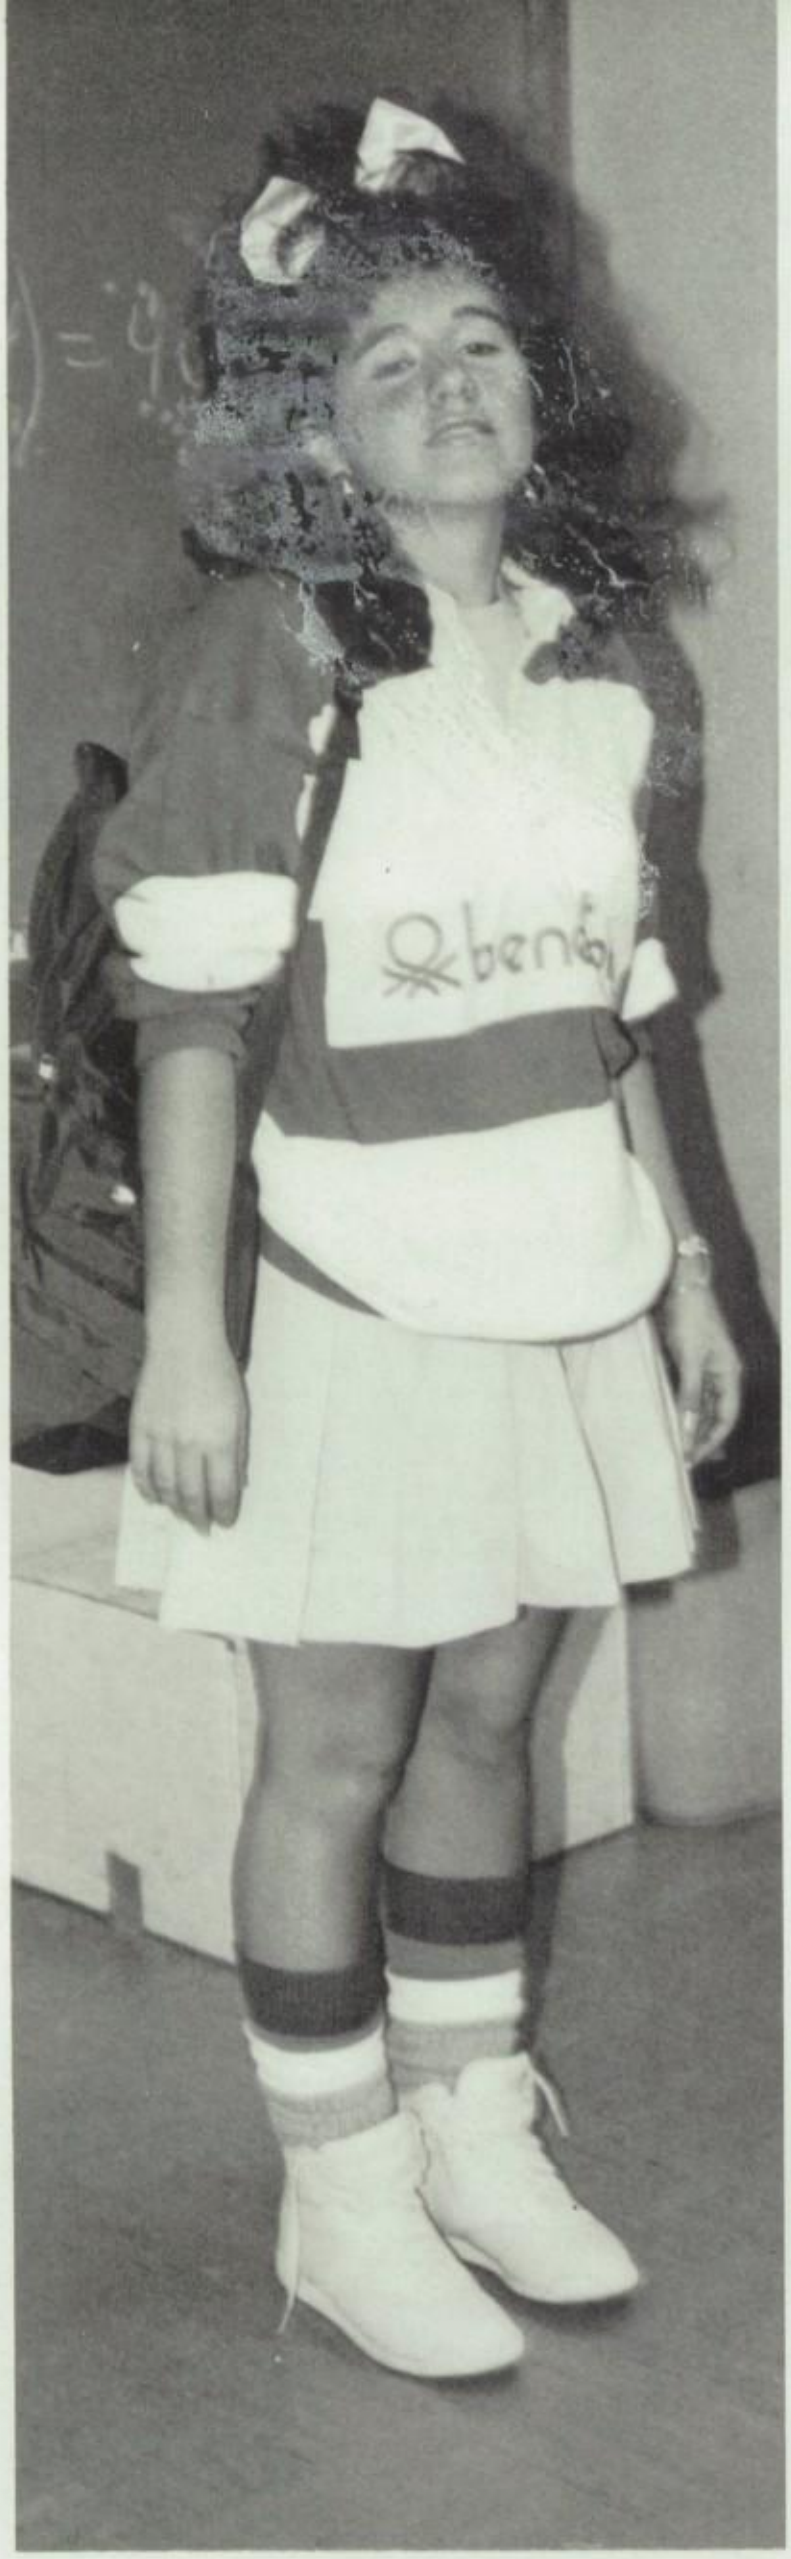


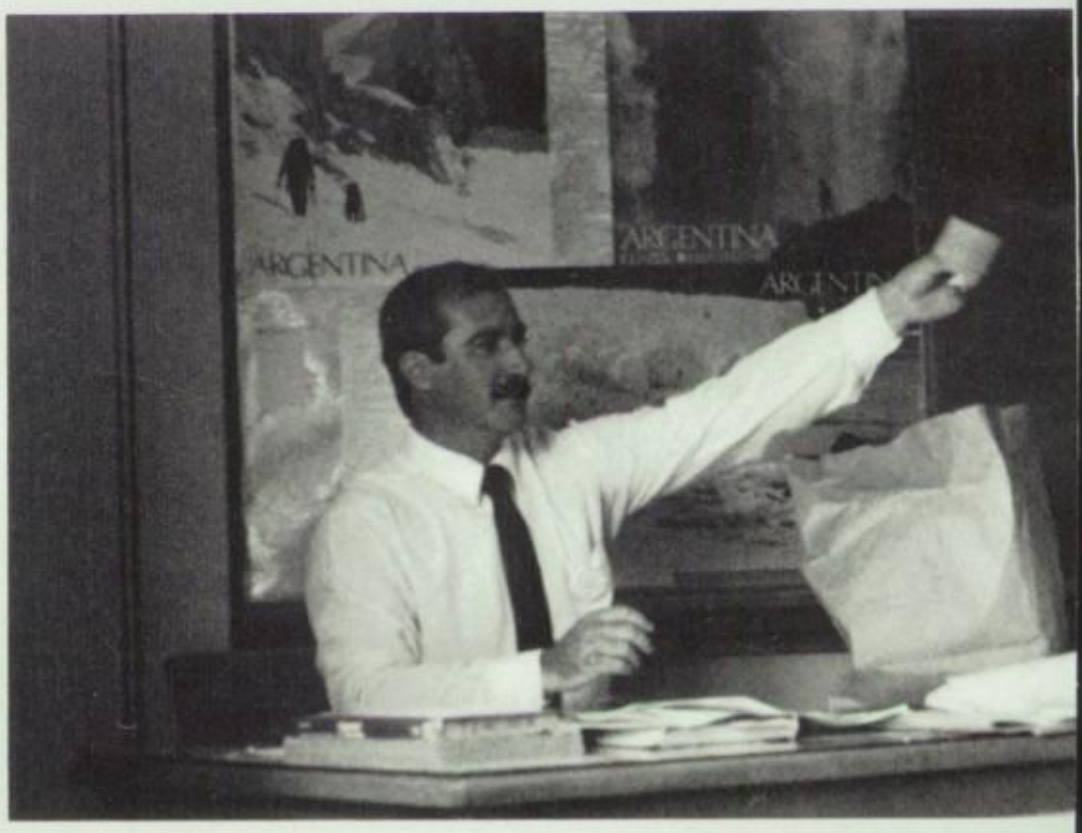
This year the language department has not undergone any curriculum changes. Languages offered at BMHS are Spanish, French, Latin, and German. There is one new teacher this year, Mrs. Dominique Friedmann, who teaches Latin and Spanish. The Language Clubs have social gatherings including trips to Olvera Street and dining at fine ethnic restaurants.



(Clockwise from above): Ms. Collette points out one of the more interesting Halloween costumes to Sister Miriam. Sr. Miriam teaches Spanish III and IV. She is the moderator of The Spanish Club, and the co-director of School Activities. Mrs. Orlando smiles as she escapes from lunch duty with Father Anthony. She teaches Spanish I and II. Ms. Friedmann reacts to a comment made by a freshmen student in her Latin I class. She also teaches Latin II, III, and Spanish II. Mr. Farkas, head of the Language Department, looks startled at an answer from one of his German students. He teaches Anthropology, U.S. History, and German I, II, III, and IV.

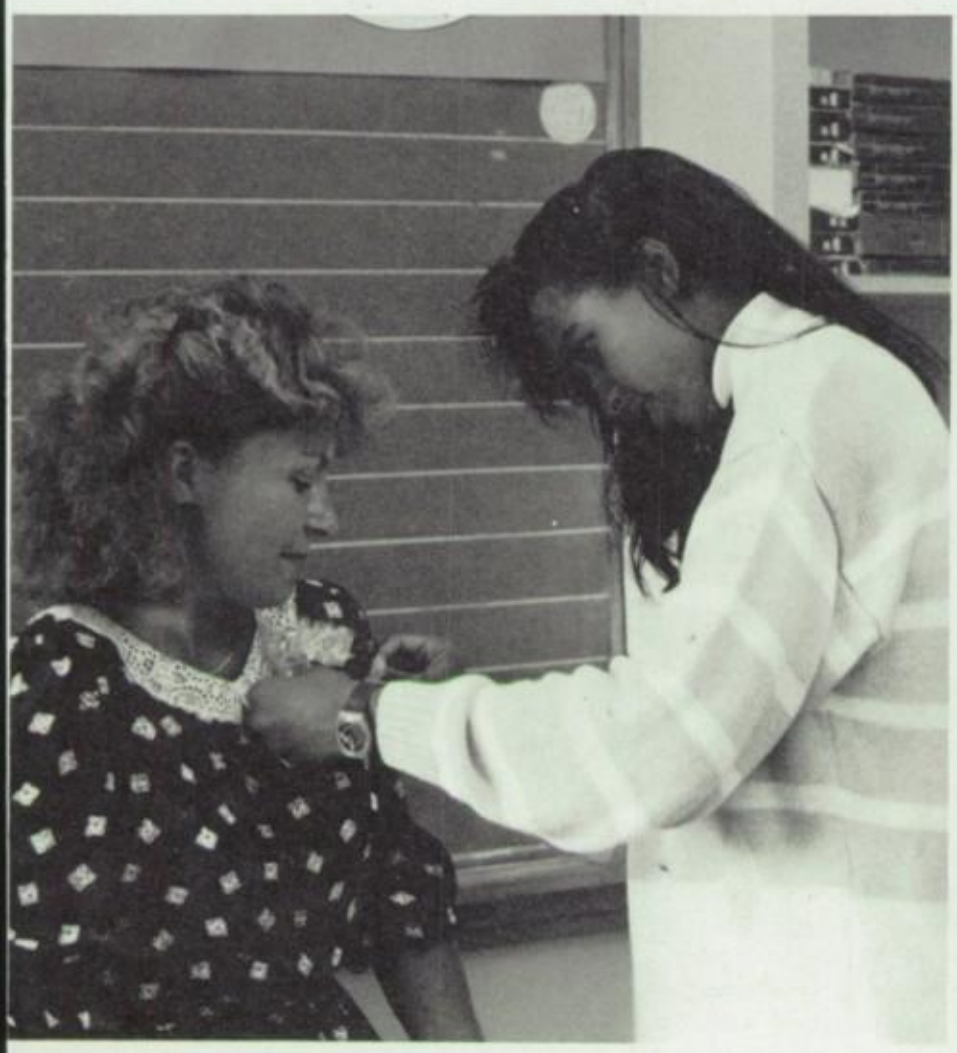


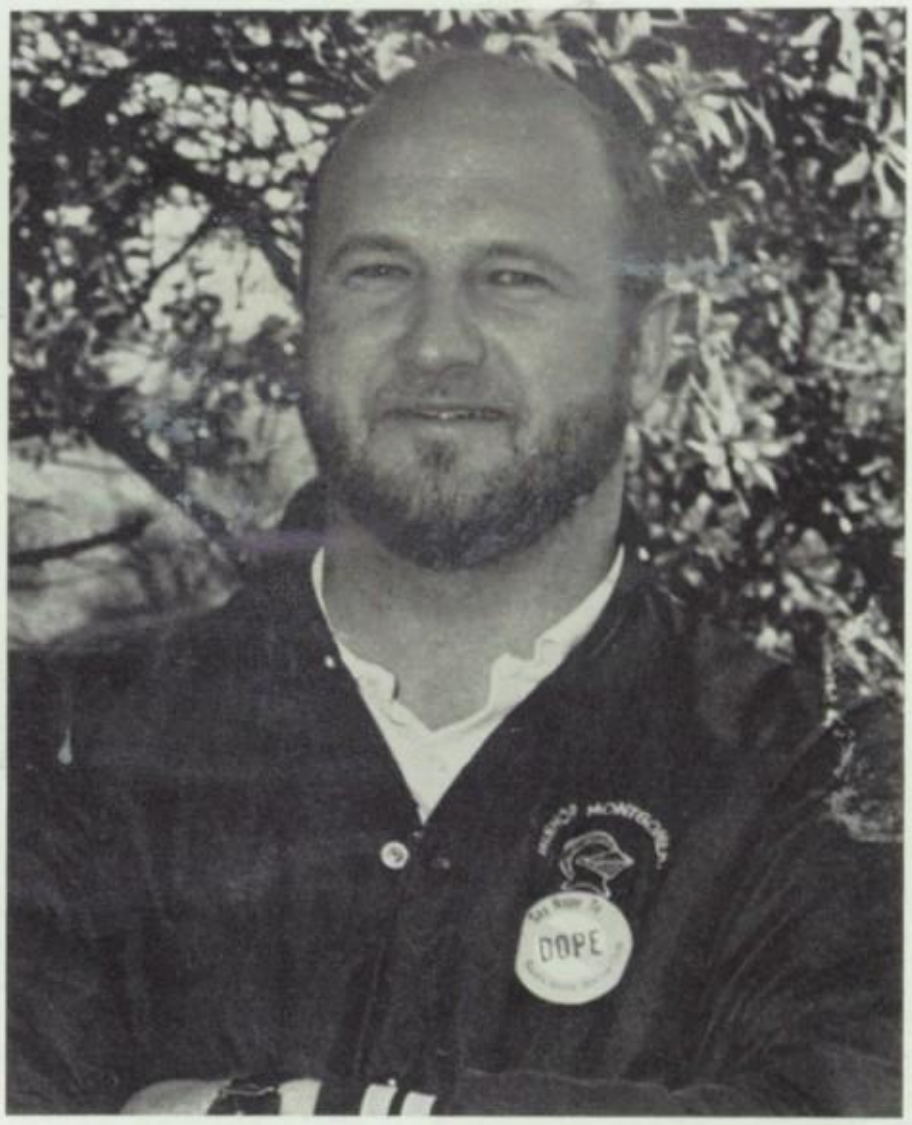




(Clockwise from left): Ms. Fabbri, who teaches Spanish I and II, knows how to relate to the Frosh and Sophomores very well. Mrs. Galdamez instructs her Spanish II. She also teaches French III and IV. Mrs. Tyler is surprised at the grades in her French I and II classes. Mr. Cooper doles out another winning ticket in his Spanish I class. His Spanish II class does not receive the privilege.

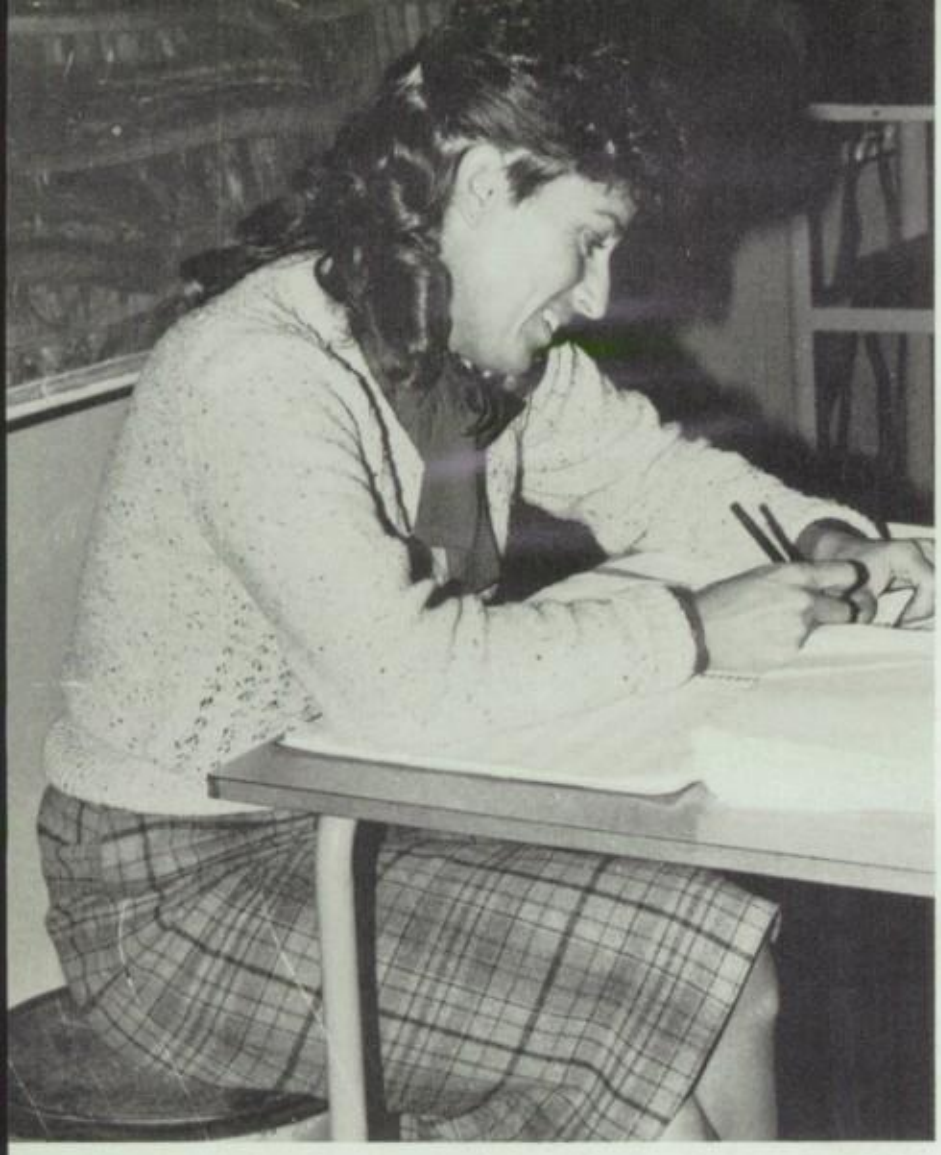
Business Department teaches life skills.

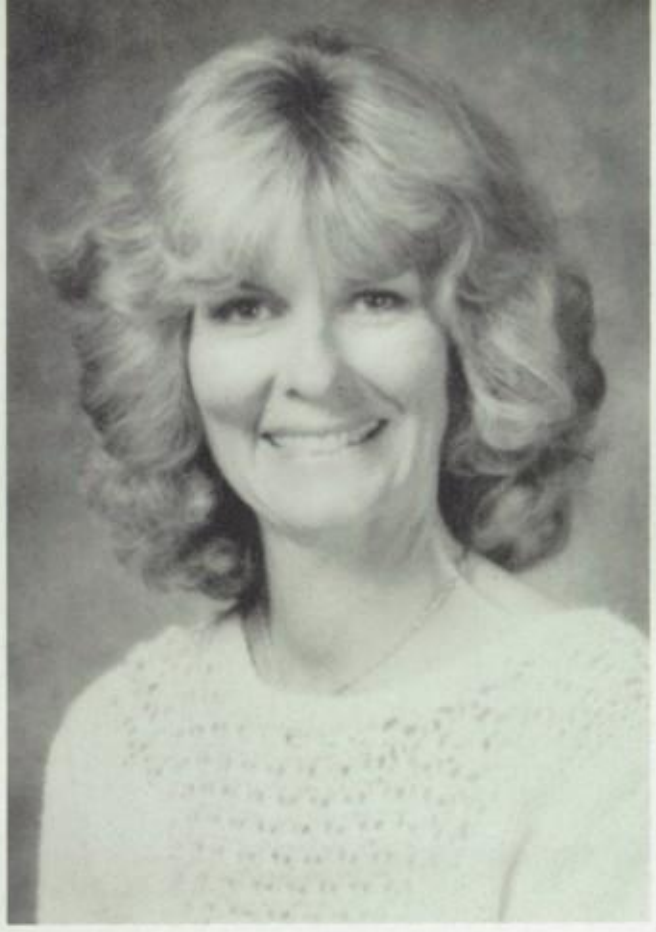




In response to the growing trend toward consumer education, the Business Department, under the experienced leadership of Mrs. Judy Kline, added a new class in Consumer Economics to the curriculum this year. The course, taught by Mrs. Molly Zick, covers techniques of intelligent buying. Overall, the Business Department teaches practical skills that can be used in every day life.

(Clockwise): Nicky Harris pins a flower on Mrs. Kline for Teacher Appreciation Day. Mrs. Kline teaches Typing, Advanced Typing, Parenting, and Peer Counseling. Mr. Andy Szabatura, who teaches P.E., Accounting, and Weight Training, finally finds time to relax. Mr. Masters tries to get his Psychology class to take him seriously on Halloween. He teaches Modern Europe, Psychology, and Economics. Mrs. Zick takes time out of her counseling and teaching to show off her sense of style in the Concordia Fashion Show. She teaches General Business and Business Law.





(Counter Clockwise from right): Mrs. Murphy teaches Health aside from her math classes. Mrs. Loehr, the head of the Physical Education Department, teaches Physical Conditioning, Girls P.E., and Introductory Dance for Freshmen. Mrs. Hauck grades papers while showing a film to her Health Class. Mr. Ayala has been a new additon to BMHS. He has been involved in the Fine Arts Department by being in charge of Voix Gentille and Montgomery Singers. Mrs. Heckethorn is the Head of the Fine Arts Department. She teaches Ceramics, Beginning and Advanced Art, and Humanities. Mr. Pilato has been an active member of the Fine Arts Department ever since he came to BMHS. He teaches Stage Band, Beginning Band and he is the moderator of Thunder By Knight, Bishop Montgomery's Marching Regiment.

Sophomores take "Friends" for motto.

The Sophomore class began this school year with a great start. With their class colors of blue and white and their class motto of "Friends," they dominated many of the activities during Homecoming Week. The Sophomores showed great school spirit during Spirit Week. This enthusiasm continued throughout the rest of the year. Mrs. Orlando, who has been the Sophomores' moderator for the past two years, says that "they are a very enjoyable class to work with." The Sophomores have worked really hard this past year and should be proud of their accomplishments.

(Left) Sophomore class officers and moderators (clockwise from left); Gina Marsella, Mrs. Orlando, Cassey Dragich, Gina Cabotaje, Liz Szucs, Laura Choran, and Reshan Cooray with their friend Bob. Take time to think-
it is the source of power.
Take time to read-
it is the foundation of wisdom.
Take time to play-
it is the secret to staying young.
Take time to be quiet-
it is the moment to seek God.
Take time to be aware-
it is the opportunity to help others.
Take time to love and be loved-
it is God's greatest gift.
Take time to laugh-
it is the music of the soul.
Take time to be friendly-
it is the road to happiness.
Take time to dream-
it is what the future is made of.
Take time to pray-
it is the greatest power on the earth.

Dear Beth and Cheryl,
When you two were born it was easy to see.
How great having twins really could be.
You were two little imps into cupboards and drawers.
Scattering powder on all available floors.
You grew up too quickly, away flew the years.
But not without laughter and love and some tears.
Now that you're grown up and on your way.
There's something your father and I want to say.
Like your brother and sister before you were told.
You are treasures to us greater than jewels and gold.
Love from Mom and Dad.

Congratulations!
How can I describe
The elf in your smile
The cat in your walk
Or the shine in your soul?
I always knew that you were more
More precious to me than I could express.

You were there for me when no one understood.
You cared and somehow you knew.
You helped me face my problems
And did not shield me from them.
When I left for college you did not see me cry
Because I could not truly see what I was losing.
Now that the miles are between us, I have a clearer
Perspective of the person you are, for
"It is only with the heart that one can see rightly;
What is essential is invisible to the eye."
My heart can see you now, and I don't deserve such a sister.
Know now that you possess more beauty than most could
Ever aspire to. I love you.
Be true to yourself always, Love, and be happy.

DEAR GEOFF,

YOU HAVE ACCOMPLISHED A LOT OVER THE PAST SEVENTEEN YEARS AND THROUGH IT ALL YOU HAVE MADE US VERY PROUD.

YOU HAVE ALWAYS GIVEN 100% - TO YOUR FAMILY, SCHOOL AND FRIENDS. YOU'VE DONE A GOOD JOB AT SCHOOL BY STUDYING HARD AND PUTTING OUT THE EFFORT. YOU'VE MADE SOME SPECIAL FRIENDS, PEOPLE WHO WILL BE IMPORTANT TO YOU FOR A LONG TIME, MAYBE FOREVER.

BUT GEOFF, THE MOST IMPORTANT THING YOU HAVE ACCOMPLISHED WITH GROWING UP IS THAT YOU HAVE BECOME A VERY SPECIAL PERSON, A PERSON WHO IS REALLY GOOD - WAY DOWN DEEP. YOU ARE SOMEONE WHO MATTERS, SOMEONE WHO MAKES A DIFFERENCE, SOMEONE WHO MAKES THIS WORLD A BETTER PLACE. ALWAYS BE PROUD OF YOURSELF FOR THIS, ABOVE ALL ELSE.

WE LOVE YOU VERY MUCH.

When I think of a friend,
you come to mind.
I think you're the best friend,
I'll ever find.
It's like I'm the door,
And you're the key.
We just fit together
naturally.
I'd run a mile
just to see your smile.
It brightens my day,
in every way.
A friend who brings me up,
when I'm down.
A pal I can be crazy with,
And fun to have around.
A friend like you is something
I hope I'll always have.
Cause a friend will always be there,
through good times and bad.

Love, Christen

Christen,
Well Christen, where do I start?
You're my best friend, I know in my heart.

No matter what, you're always there.
And no matter what, you always care.

You helped me through good and bad.
We've stayed together through happy and sad.

If he breaks my heart, or hurts me so,
You're always there for me, I know.

We like to skate on the strand,
Where cute surfers are always on hand.

Raging in Santa Barbara and Palm Springs,
Driving our convertibles to do fun things.

Being called "Little Boats",
Writing and sharing tons of notes.

At UB40, Untouchables, Third World, Steel Pulse, we had fun.
But so is everything we've done.

Together always and never apart,
Maybe in distance, but never in heart.

Love always, Heathe

"We Made Each Other Strong"

My friend, I do not wish for you to go
But life will not wait for us, I know.
Don't look back and see the tears
Streaking down my face.
In my heart, you'll never be replaced.
Hold tight to today and it will take you to tomorrow
Hold your head high and you will see that the sorrow
Will soon fade with a dream
That is yet to be.
We're going to be the best of all,
just you wait and see!
Take me with you when you go;
I'll stay forever in your heart.
That way we'll never have to say
We lost a part of ourselves.
You're just the part of me I can't let go.
And thank God you are a
Friend I'll always know.
So thank you for growing up with me.
Parting now, we'll reach for
the stars and see it's not an end
But the beginning of a life
We've dreamt of for so long.
Now it's time to show the world —
We've made each other strong.

ACKNOWLEDGMENTS

The staff of EXCALIBUR '88 would like to thank the following people, whose help and support have been instrumental in making this book possible:

Mr. Thomas Schorer, for his invaluable assistance with artwork.

Fr. Comerford and Mrs. Pittelkau, for their ongoing support and encouragement.

The hard-working ladies in the Main Office, the Attendance Office, and the Xerox office, for a thousand and one favors.

The faculty and staff, for their patience and cooperation through some pretty trying times.

The students and parents of Bishop Montgomery, for providing not only the financial support that made it possible to produce EXCALIBUR '88, but also for all the accomplishments and activities that have given us something to tell about.
